## Highlights/ Summary of the Scheme

|                             |   |
|-----------------------------|---|
| <b>Scheme Name</b>          | Parag Parikh Long Term Value Fund   |
| <b>Investment Objective</b> | <p>The investment objective of the Scheme is to seek to generate long-term capital growth from an actively managed portfolio primarily of equity and Equity Related Securities.</p> <p>Scheme shall be investing in Indian equities, foreign equities and related instruments and debt securities.</p> <p>Buying securities at a discount to intrinsic value will help to create value for investors. Our investment philosophy is to invest in such value stocks.</p> <p>Long Term refers to an investment horizon of 5 years and more. In this Scheme Information Document (SID) it is mentioned that the Scheme is not suitable for investment horizon of less than 5 years. The Scheme will evaluate different companies based on their long term prospects (5 years and more) rather than just looking at next quarter or a few quarter's earnings. Since the objective of the Scheme is to hold the investments in the companies where the Scheme has invested for the long term, it is essential that the investors in the Scheme have a similar outlook. It is expected that the core equity portfolio of the Scheme will have low churn (portfolio turnover). However the actual churn (portfolio turnover) could be higher depending on circumstances prevailing at respective times.</p> |
| <b>Liquidity</b>            | <p>Liquidity will be available through sale and repurchase of units on an ongoing basis. The Scheme being offered is open-ended scheme and will offer Units for Sale, switch-in and Redemption switch out, on every Business Day at NAV based prices. As per SEBI (MF) Regulations, the Mutual Fund shall dispatch redemption proceeds within 10 Business Days of receiving the Redemption request. A penal interest of 15% p.a. or such other rate as may be prescribed by SEBI from time to time, will be paid in case the payment of redemption proceeds is not made within 10 Business Days from the date of redemption. However under normal circumstances, the Mutual Fund would endeavour to pay the redemption proceeds within 4 Business Days (as applicable) from acceptance of the duly completed Redemption request. Please refer to section 'Redemption' on Page 77.</p>   |
| <b>Benchmark</b>            | Nifty 500   |

|                                     |   |
|-------------------------------------|---|
| <b>Transparency/ NAV disclosure</b> | <p>The AMC will calculate and disclose the NAV of the Scheme at the close of every Business Day and release to the Press, News Agencies and the Association of Mutual Funds of India (AMFI) except in special circumstances described in 'Suspension of Sale / Redemption / Switching of the Units' under section 'Restrictions, if any, on the right to freely retain or dispose of units being offered' on Page 11. NAV will also be displayed on the website of the Mutual Fund. In addition, the ISCs would also display the NAV.</p> <p>The AMC shall update the NAVs on the website of the Mutual Fund (<a href="http://amc.ppfas.com">http://amc.ppfas.com</a>) and on the website of Association of Mutual Funds in India - AMFI (<a href="http://www.amfiindia.com">www.amfiindia.com</a>) by 9.00 p.m. on every Business Day and will be published in two newspapers. In addition, the ISCs would also display the NAV. . In case of any delay, the reasons for such delay would be explained to AMFI in writing. If the NAVs are not available before commencement of Business Hours on the following day due to any reason, the Mutual Fund shall issue a press release giving reasons and explaining when the Mutual Fund would be able to publish the NAVs.</p> <p>The AMC will disclose details of the portfolio (along with ISIN) as on the last day of the month for each scheme/s on its website on or before 10th day of the succeeding month in a user friendly and downloadable format. As presently required by the SEBI (MF) Regulations, a complete statement of the Scheme portfolio would be published by the Mutual Fund as an advertisement in one English daily Newspaper circulating in the whole of India and in a newspaper published in the language of the region where the Head Office of the Mutual Fund is situated within one month from the close of each half year (i.e. March 31 &amp; September 30) or mailed to the Unit holders.</p> <p><b>Half Yearly Financial Results</b></p> <p>The Fund shall provide half yearly disclosures of the Scheme's unaudited financial results in the prescribed format on its website <a href="http://amc.ppfas.com">http://amc.ppfas.com</a> within one month from the close of each half year i.e. on 31st March and on 30th September and shall publish an advertisement in this regard in at least one English daily newspaper having nationwide circulation and in a newspaper having wide circulation published in the language of the region where the Head Office of the Fund is situated.</p> |

# I. Introduction

## A. Risk Factors:

### Standard Risk Factors:

- Investment in Mutual Fund Units involves investment risks such as trading volumes, settlement risk, liquidity risk, default risk including the possible loss of principal.
- As the price / value / interest rates of the securities in which the Scheme invests fluctuates, the value of your investment in the Scheme may go up or down depending on the various factors and forces affecting the capital markets and money markets as with any investment in stocks, shares and securities.
- The present Scheme is the first scheme being launched under this management.
- Past performance of the Sponsors and their affiliates / AMC / Mutual Fund does not guarantee future performance of the Scheme of the Mutual Fund.
- Parag Parikh Long Term Value Fund is only the name of the Scheme and the name of the Scheme does not in any manner indicate either the quality of the Scheme or its future prospects and returns.
- The Sponsor is not responsible or liable for any loss resulting from the operation of the Scheme beyond the initial contribution of Rs. 1 lakh made by them towards setting up the Fund.
- The present Scheme is not guaranteed or assured return scheme.

### Scheme Specific Risk Factors

Some of the specific risk factors related to the Scheme include, but are not limited to the following:

#### (i) Risk factors associated with investing in equities and equity related instruments

- The value of Scheme's investments may be affected by factors affecting the Securities markets and price and volume volatility in the capital markets, interest rates, currency exchange rates, changes in law/policies if the Government, taxation laws and political, economic or other developments which may have an adverse bearing on individual securities, a specific sector or all sectors. Consequently, the NAV of the units of the Scheme may be affected.
- Equity and equity related instruments/ securities are volatile and prone to price fluctuations on a daily basis. Investments in equity shares and equity related instruments involve a degree of risk and investors should not invest in the Scheme(s) unless they can afford to take the risks.
- The liquidity of investments made in the Scheme may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly by unforeseen circumstances. The inability of the Scheme to make purchases due to settlement problems could cause the Scheme to miss certain investment opportunities. Similarly, the inability to sell securities held in the Scheme's portfolio may result,

at times, in potential losses to the Scheme, should there be a subsequent decline in the value of securities held in the Scheme's portfolio.

- Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges. Investment in such securities may lead to increase in the scheme portfolio risk. The liquidity and valuation of the Scheme's investments due to the holdings of unlisted securities may be affected if they have to be sold prior to the target date of disinvestment.
- While securities that are listed on the stock exchange carry lower liquidity risk, the ability to sell these investments is limited by the overall trading volume on the stock exchanges and may lead to the Scheme incurring losses till the security is finally sold.
- The Liquidity of the scheme is inherently restricted by trading volumes in securities in which it invests.
- Investment strategy to be adopted by the Scheme may carry the risk of significant variance between the portfolio allocation of the Scheme and the Benchmark particularly over a short to medium term period.
- Mid Cap and Small Cap Companies are generally less liquid in terms of trading volumes on stock exchanges. Risk to the scheme may increase in proportion to the investment made in Mid Cap and Small Cap Companies.

#### **(ii) Risk factors associated with investing in Fixed Income Securities and Money Market Instruments**

**Price-Risk or Interest-Rate Risk :** The Net Asset Value (NAV) of the Scheme, to the extent invested in Debt and Money Market securities, will be affected by changes in the general level of interest rates. The NAV of the Scheme is expected to increase from a fall in interest rates while it would be adversely affected by an increase in the level of interest rates. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates

The changes in the prevailing rates of interest will likely affect the value of the Scheme's holdings until the next reset date and thus the value of the Schemes' Units will be affected. The value of securities held by the Scheme generally will vary inversely with changes in prevailing interest rates. The fund could be exposed to the interest rate risk (i) to the extent of time gap in resetting of the benchmark rates, and (ii) to the extent the benchmark index fails to capture the interest rate movement.

Money market securities, while fairly liquid, lack a well developed secondary market, which may restrict the selling ability of the Scheme and may lead to the Scheme incurring losses till the security is finally sold.

**Credit Risk:** Investment in Debt Securities is subject to the risk of an issuer's inability to meet interest and principal payments obligations. Investment is also subject to the risk of market perception of the creditworthiness of the issuer. i.e. even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down.

Government securities where a fixed return is offered run price-risk like any other fixed income security. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates. The price-risk is not unique to Government Securities. It exists for all fixed income securities. However, Government Securities are unique in the sense that their credit risk generally remains zero. Therefore, their prices are influenced only by movement in interest rates in the financial system.

**Prepayment Risks:** In the event of prepayments, investors may be exposed to changes in tenor and yield.

**Re-investment Risk:** Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original interest rates and proceeds may get invested at a lower rate

**Spread Risk:** In a floating rate security the coupon is expressed in terms of a spread or mark up over the benchmark rate. However depending upon the market conditions the spreads may move adversely or favorably leading to fluctuation in NAV.

Different types of fixed income securities in which the Scheme would invest as given in the SID carry different levels and types of risk. Accordingly, the Scheme risks may increase or decrease depending upon its investment pattern. e.g. corporate bonds carry a higher level of risk than Government securities. Further even among corporate bonds, bonds, which are AAA rated, are comparatively less risky than bonds, which are AA rated.

The AMC may, considering the overall level of risk of the portfolio, invest in lower rated / unrated securities offering higher yields as well as zero coupon securities that offer attractive yields. This may increase the absolute level of risk of the portfolio.

As zero coupon securities do not provide periodic interest payments to the holder of the security, these securities are more sensitive to changes in interest rates. Therefore, the interest rate risk of zero coupon securities is higher. The AMC may choose to invest in zero coupon securities that offer attractive yields. This may increase the risk of the portfolio.

Investments in fixed income securities carry re-investment risk as interest rates prevailing on the coupon payment or maturity dates may differ from the original interest rates.

A borrower may prepay a receivable prior to its due date. This may result in a change in the yield and tenor for the Scheme.

Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. The AMC may choose to invest in unlisted securities that offer attractive yields. This may increase the risk of the portfolio.

Scheme's performance may differ from the benchmark index to the extent of the investments held in the debt segment, as per the investment pattern indicated under normal circumstances.

**Redemption risk:** The Scheme at times may receive large number of redemption requests, leading to an asset-liability mismatch and therefore, requiring the investment manager to make a distress sale of the securities leading to realignment of the portfolio and consequently resulting in investment in lower yield instruments.

To the extent the underlying Mutual Fund Scheme invest in Debt / Money Market Instruments, the Scheme shall be affected by the afore mentioned risk factors. The Net Asset Value (NAV) of the units of the Scheme is likely to get effected on accounts of such risk factors. Any change in the investment policies or fundamental attributes of any underlying scheme is likely to affect the performance of the Scheme. Further, the liquidity of the Scheme's investments may be inherently restricted by the liquidity of the underlying schemes in which it has invested.

### **(iii) General Risk factors**

Trading volumes, settlement periods and transfer procedures may restrict the liquidity of the investments made by the Scheme. Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances leading to delays in receipt of proceeds from sale of securities. The NAV of the Units of the Scheme can go up or down because of various factors that affect the capital markets in general.

As the liquidity of the investments made by the Scheme could, at times, be restricted by trading volumes and settlement periods, the time taken by the Mutual Fund for redemption of Units may be significant in the event of an inordinately large number of redemption requests or restructuring of the Scheme. In view of the above, the Trustee has the right, in its sole discretion, to limit redemptions (including suspending redemptions) under certain circumstances, as described on Page 60 under **"Right to Limit Redemptions"** in Section 'Restrictions, if any, on the right to freely retain or dispose of units being offered'.

At times, due to the forces and factors affecting the capital market, the Scheme may not be able to invest in securities falling within its investment objective resulting in holding the monies collected by it in cash or cash equivalent or invest the same in other permissible securities / investments amounting to substantial reduction in the earning capability of the Scheme.

Performance of the Scheme may be affected by political, social, and economic developments, which may include changes in government policies, diplomatic conditions, and taxation policies.

### **(iv) Risk factors associated with investing in Foreign Securities**

Subject to necessary approvals and within the investment objectives / asset allocation pattern of the Scheme may invest in overseas markets which carry risks related to fluctuations in the foreign exchange rates, the nature of the securities market of the country, repatriation of capital due to exchange controls and political circumstances. It is the AMC's belief that investment in foreign securities offers new investment and portfolio diversification opportunities into multimarket and multi-currency products. Such investment opportunities may be pursued by the AMC provided they are considered appropriate in terms of the overall investment objectives of the Scheme. Since the Scheme would invest only partially in foreign securities, there may not be readily available and widely accepted benchmarks to measure performance of the Scheme. However, such investments also entail additional risks not only limited to the following.

**Currency Risk:**

Moving from Indian Rupee (INR) to any other currency involves currency risk. To the extent that the assets of the Scheme will be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets and income may be adversely affected by changes in the value of certain foreign currencies relative to the Indian Rupee.

**Interest Rate Risk:**

The pace and movement of interest rate cycles of various countries, though loosely co-related, can differ significantly. Investments in securities of countries other than India, the Scheme stand exposed to their interest rate cycles.

**Credit Risk:**

To manage risks associated with foreign currency and interest rate exposure, the Mutual Fund may use derivatives for efficient portfolio management including hedging in accordance with conditions as may be stipulated by SEBI / RBI from time to time.

**Repatriation Risk:**

The repatriation of capital to India may also be hampered by changes in regulations concerning exchange controls or political circumstances as well as the application to it of other restrictions on investment

**(v) Risk factors associated with investing in Derivatives.**

The AMC, on behalf of the Scheme may use various derivative products, from time to time, in an attempt to protect the value of the portfolio and enhance Unit holders' interest. Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but of the derivative itself. Other risks include, the risk of mis-pricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.

The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counter party") to comply with the terms of the derivatives contract. The Scheme bears a risk that it may not be able to correctly forecast future market trends or the

value of assets, indices or other financial or economic factors in establishing derivative positions for the Scheme.

Also, the market for derivative instruments is relatively nascent in India and does not have the volumes which may be seen in other developed markets, which may result in volatility to the values. Besides the price of the underlying asset, the volatility, tenor and interest rates affect the pricing of derivatives.

Trading in derivatives carry a high degree of risk although they are traded at a relatively small amount of margin which provides the possibility of great profit or loss in comparison with the principal investment amount. The Scheme may find it difficult or impossible to execute derivative transactions in certain circumstances.

Other risks in using derivatives include but are not limited to:

- a. **Credit Risk** - this occurs when a counterparty defaults on a transaction before settlement and therefore, the Scheme are compelled to negotiate with another counter party, at the then prevailing (possibly unfavorable) market price, in order to maintain the validity of the hedge. For exchange traded derivatives, the risk is mitigated as the exchange provides a guaranteed settlement but one takes the performance risk on the exchange.
- b. **Market Liquidity risk** - this occurs where the derivatives cannot be sold (unwound) at prices that reflect the underlying assets, rates and indices.
- c. **Model Risk** - this is the risk of mis-pricing or improper valuation of derivatives.
- d. **Basis Risk** - This risk arises when the instrument used as a hedge does not match the movement in the instrument/ underlying asset being hedged. The risks may be inter-related also; for e.g. interest rate movements can affect equity prices, which could influence specific issuer/industry assets.

#### **(vi) Risk factors associated with investing in Securitised Debt**

The Risks involved in Securitised Papers described below are the principal ones and does not represent that the risks set out hereunder is exhaustive.

##### **Limited Liquidity & Price Risk**

There is no assurance that a deep secondary market will develop for the Certificates. This could limit the ability of the investor to resell them.

##### **Limited Recourse, Delinquency and Credit Risk**

The Credit Enhancement stipulated represents a limited loss cover to the Investors. These Certificates represent an undivided beneficial interest in the underlying receivables and do not represent an obligation of either the Issuer or the Seller or the originator, or the parent or any affiliate of the Seller, Issuer and Originator. Delinquencies and credit losses may cause depletion of the amount available under the Credit Enhancement and thereby the Investor Payouts to the Certificate Holders may get affected if the amount available in the Credit Enhancement facility is not enough to cover the shortfall. On persistent default of a Obligor to repay his obligation, the Servicer may repossess and sell the Asset. However many factors may affect, delay or prevent the repossession of such Asset or the length of time required to realise the sale proceeds on such

sales. In addition, the price at which such Asset may be sold may be lower than the amount due from that Obligor.

### **Risks due to possible prepayments and Charge Offs**

In the event of prepayments, investors may be exposed to changes in tenor and yield. Also, any Charge Offs would result in the reduction in the tenor of the Pass Through Certificates (PTCs).

### **Bankruptcy of the Swap Bank**

If the Swap Bank, becomes subject to bankruptcy proceedings then an Investor could experience losses or delays in the payments due under the Interest Rate Swap Agreement.

### **Risk of Co-mingling**

With respect to the Certificates, the Servicer will deposit all payments received from the Obligors into the Collection Account. However, there could be a time gap between collection by a Servicer and depositing the same into the Collection account especially considering that some of the collections may be in the form of cash. In this interim period, collections from the Loan Agreements may not be segregated from other funds of originator. If originator in its capacity as Servicer fails to remit such funds due to Investors, the Investors may be exposed to a potential loss.

Illustrative framework, which will be applied while evaluating investment decision relating to a pool securitisation transaction:

| Characteristics/Type of Pool  | Mortgage Loan | Commercial Vehicle and Construction Equipment | Car              | 2 Wheelers       | Micro Finance Pools | Personal Loans | Single Sell Downs | Others       |
|---|---------------|---|------------------|------------------|---------------------|----------------|-------------------|--------------|

NA - Not Applicable

Information in the table above is based on current scenario and is subject to change depending upon the change in related factors.

**Notes:**

- A. In case of securitised debt with underlying being single loan, the investment limit applicable to the underlying borrower is considered.
- B. B. Other investment will be decided on a case to case basis. In case of asset backed pools (ABS), evaluation of the pool assets is done considering the following factors: (Refer the table above which illustrates the averages of parameters considered while selecting the pool)
  - Size of the loan
  - Average original maturity of the pool
  - Loan to Value Ratio
  - Average seasoning of the pool
  - Default rate distribution
  - Geographical Distribution
  - Credit enhancement facility
  - Liquid facility
  - Structure of the pool

**(vii) Risk factors associated with Securities Lending**

As with other modes of extensions of credit, there are risks inherent to securities lending, including the risk of failure of the other party, in this case the approved intermediary, to comply with the terms of the agreement entered into between the lender of securities i.e. the Scheme and the approved intermediary. Such failure can result in the possible loss of rights to the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary.

**(viii) Risk factors associated with processing of transaction through Stock Exchange Mechanism**

The trading mechanism introduced by the stock exchange(s) is configured to accept and process transactions for mutual fund units in both Physical and Demat Form. The allotment and/or redemption of Units through NSE and/or BSE or any other recognised stock exchange(s), on any Business Day will depend upon the modalities of processing viz. collection of application form, order processing/settlement, etc. upon which the Fund has no control. Moreover, transactions conducted through the stock exchange mechanism shall be governed by the operating guidelines and directives issued by respective recognized stock exchange(s).

**B. Requirement of Minimum Investors in the Scheme(s)**

The Scheme/Plan shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme/Plan(s). However, if such limit is breached during the NFO of the Scheme, the Fund will endeavour to ensure that within a period of three months or the end of the succeeding calendar quarter from the close of the NFO of the Scheme, whichever is earlier, the Scheme complies with these two conditions. In case the Scheme / Plan(s) does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 39(2)(c) of the SEBI (MF) Regulations would become applicable automatically

without any reference from SEBI and accordingly the Scheme / Plan(s) shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days notice to redeem his exposure over the 25 % limit. Failure on the part of the said investor to redeem his exposure over the 25 % limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

### **C. Special Considerations, if any**

The Trustee, AMC, Mutual Fund, their directors and their employees shall not be liable for any of the tax consequences that may arise, in the event that the Scheme is wound up for the reasons and in the manner provided in 'Statement of Additional Information ('SAI')'. Redemption by the Unit holder due to change in the fundamental attributes of the Scheme or due to any other reasons may involve tax consequences. The Trustee, AMC, Mutual Fund, their directors and their employees shall not be liable for any such tax consequences that may arise.

The tax benefits described in this Scheme Information Document and Statement of Additional Information are as available under the present taxation laws and are available subject to relevant conditions. The information given is included only for general purpose and is based on advise received by the AMC regarding the law and practice currently in force in India and the Unit holders should be aware that the relevant fiscal rules or their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of an investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Unit holder is advised to consult his / her own professional tax advisor.

Investors should study this Scheme Information Document and the Statement of Additional Information carefully in its entirety and should not construe the contents as advise relating to legal, taxation, investment or any other matters.

Investors are advised to consult their legal, tax, investment and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming units, before making a decision to invest / redeem Units.

Long Term refers to an investment horizon of 5 years and more. In this Scheme Information Document (SID) it is mentioned that the Scheme is not suitable for investment horizon of less than 5 years. The Scheme will evaluate different companies based on their long term prospects ( 5 years and more) rather than just looking at next quarter or a few quarter's earnings. Since the objective of the Scheme is to hold the investments in the companies where the Scheme has invested for the long term, it is essential that the investors in the Scheme have a similar outlook. It is expected that the core equity portfolio of the Scheme will have low churn (portfolio turnover). However the actual churn (portfolio turnover) could be higher depending on circumstances prevailing at respective times.

Neither this Scheme Information Document nor the Units have been registered in any jurisdiction. The Investors may take note that the Scheme (may in future be registered/ recognized in any other applicable

jurisdiction, by the AMC as and when it desires. The distribution of this Scheme Information Document in certain jurisdictions may be restricted or totally prohibited due to registration requirements and accordingly, persons who come into possession of this Scheme Information Document are required to inform themselves about and to observe any such restrictions and or legal compliance requirements.

Any dispute arising out of the Scheme shall be subject to the exclusive jurisdiction of the Courts in India. Statements in this Scheme Information Document are, except where otherwise stated, based on the law, practice currently in force in India, and are subject to changes therein.

No person has been authorised to issue any advertisement or to give any information or to make any representations other than that contained in this Scheme Information Document. Circulars in connection with this offering not authorised by the Mutual Fund and any information or representations not contained herein must not be relied upon as having been authorized by the Mutual Fund.

The Mutual Fund / Trustees / AMC has not authorized any person to give any information or make any representations, either oral or written, not stated in this SID or the SAI in connection with issue or sale of Units under the Scheme. Prospective Investors are advised not to rely upon any information or representations not incorporated in the SAI and SID as the same have not been authorized by the Mutual Fund or the Trustees or the AMC. Any Purchase or Redemption or Switch made by any person on the basis of statements or representations which are not contained in this SID or SAI or which are not consistent with the information contained in the Offer Documents shall be solely at the risk of the Investor / Unit holder(s). Investors are requested to check the credentials of the individual, firm or other entity they are entrusting their Application Form and payment to, for any transaction with the Mutual Fund. The Mutual Fund shall not be responsible for any acts done by the intermediaries representing or purportedly representing such Investor.

The Mutual Fund may disclose details of the investor's account and transactions there under to those intermediaries whose stamp appears on the application form. In addition, the Mutual Fund may disclose such details to the bankers / its agents, payment aggregators as may be necessary for the purpose of effecting payments to the investor. Further, the Mutual Fund may disclose details of the investor's account and transactions thereunder to any Regulatory / Statutory entities as per the provisions of law.

Mutual funds and securities investments are subject to market risks and there can be no assurance or guarantee that the Scheme objectives will be achieved. Investors should study this Scheme Information Document and the Statement of Additional Information carefully in its entirety before investing.

In terms of the Prevention of Money Laundering Act, 2002, the Rules issued there under and the guidelines/ circulars issued by SEBI regarding the Anti Money Laundering (AML Laws), all intermediaries, including Mutual Funds, have to formulate and implement a client identification programme, verify and maintain the record of identify and address(es) of investors.

If after due diligence, the AMC believes that any transaction is suspicious in nature as regards money laundering, failure to provide required documentation, information, etc. the AMC shall have absolute discretion to report such suspicious transactions to FIU-IND and / or to freeze the folios of the investor(s), reject any application(s) / allotment of units and effect mandatory redemption of unit holdings of the investor(s) at the applicable NAV .

## II. Information about the Scheme:

**A. Type of the Scheme: Parag Parikh Long Term Value Fund is an Open-ended Equity Scheme.**

**B. What is the investment objective of the scheme:**

The investment objective of the Scheme is to seek to generate long-term capital growth from an actively managed portfolio primarily of equity and equity Related Securities. Scheme shall be investing in foreign equities and equity related instruments.

Scheme shall be investing in Indian equities, foreign equities and related related instruments and debt securities.

Buying securities at a discount to intrinsic value will help to create value for investors. Our investment philosophy is to invest in such value stocks. Long Term refers to an investment horizon of 5 years and more. In this Scheme Information Document (SID) it is mentioned that the Scheme is not suitable for investment horizon of less than 5 years. The Scheme will evaluate different companies based on their long term prospects (5 years and more) rather than just looking at next quarter or a few quarter's earnings. Since the objective of the Scheme is to hold the investments in the companies where the Scheme has invested for the long term, it is essential that the investors in the Scheme have a similar outlook. It is expected that the core equity portfolio of the Scheme will have low churn (portfolio turnover). However the actual churn (portfolio turnover) could be higher depending on circumstances prevailing at respective times.

**C. How will the Scheme allocate it's asset**

### **ASSET ALLOCATION :**

The corpus of the Scheme will be invested primarily in equity and equity related instruments. The Scheme may invest a part of its corpus in debt and money market instruments, in order to manage its liquidity requirements from time to time, and under certain circumstances, to protect the interests of the Unit holders. Scheme may invest in permitted foreign securities.

Under normal circumstances, the asset allocation (% of Net Assets) of the Scheme's portfolio will be as follows.

| Types of Instruments                          | Minimum allocations<br>(% of net assets) | Maximum allocations<br>(% of net assets) | Risk Profil         |
|---|--|--|---------------------|
| Equity and equity related instruments         | 65%                                      | 100%                                     | Medium to high risk |
| Debt Securities, Money Market Securities      | 0.00%                                    | 35%                                      | Low to medium risk  |
| Foreign Equity and equity related instruments | 0.00%                                    | 35%                                      | Medium to high risk |

Investments in securitised debt, if undertaken, shall not exceed 25% of the net asset of the scheme.

From time to time, the Scheme may hold cash. The Scheme may take derivatives position (in equity, currency and fixed income) based on the opportunities available subject to the guidelines issued by SEBI from time to time and in line with the investment objective of the Scheme. These may be taken to hedge the portfolio, re-balance the same or to undertake any other strategy as permitted under SEBI (MF) Regulations from time to time. The cumulative gross exposure through equity, debt and Derivative positions shall not exceed 100% of the net assets of the Scheme.

The Scheme may use derivatives for trading, hedging and portfolio balancing. Exposure to derivatives will be limited to 50% of the net asset value of the Scheme at the time of transaction. Exposure is calculated as a percentage of the notional value to the net assets of the Scheme. The Scheme will maintain cash or securities to cover exposure to derivatives.

The Scheme may seek investment opportunity in the Foreign Securities (including ADR/ GDR/ foreign equity and equity related instruments), in accordance with guidelines stipulated in this regard by SEBI and RBI from time to time. Under normal circumstances, exposure to foreign securities subject to regulatory limits shall not be more than 35% of the Scheme's net assets.

In addition to the instruments stated in the table above, the Scheme may enter into repos/reverse repos as may be permitted by RBI. From time to time, the Scheme may hold cash. A part of the net assets may be invested in the Collateralised Borrowing & Lending Obligations (CBLO) or repo.

In the event that the asset allocation of the scheme should deviate from the ranges as stated in asset allocation table above, then the portfolio of the scheme will be rebalanced by the fund manager for the position indicated in the asset allocation table above within a maximum period of 30 working days from the date of said deviation.

The Scheme may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI. Subject to the SEBI (MF) Regulations, as applicable from time to time, the Scheme seek may engage in Stock Lending. Stock Lending means the lending of stock to another person or entity for a fixed period of time, at a negotiated compensation in order to enhance returns of the portfolio. The securities lent will be returned by the borrower on the expiry of the stipulated period. The Scheme will ensure compliance with SEBI (Mutual Funds) Regulations and with Securities Lending Scheme, 1997, SEBI Circular No MFD/CIR/01/047/99 dated February 10, 1999, SEBI Circular no. SEBI/IMD/Cir NO 14/187175/2009 187175 dated December 15, 2009 and framework for short selling and borrowing and lending of securities notified by SEBI vide Circular No MRD/DoP/SE/Dep/ Cir-14/2007 dated December 20, 2007 as may be amended from time to time.

The maximum exposure of the Scheme to a single intermediary in the stock lending programme at any point of time would be limited to 5% of the market value of its equity portfolio or upto such limits as may be specified by SEBI. The Scheme will not lend more than 20% of its corpus and limit this programme to 5% for single issuer.

The Scheme will pay reasonable administrative and custodial fees in connection with the lending of Securities. The Scheme will be exposed to the risk of loss should a borrower default on its obligation to return the borrowed Securities. The Scheme will not lend more than what is permitted under applicable SEBI

(Mutual Funds) Regulations. For detailed understanding on Securities lending by the Scheme, Investors are requested to refer to the SAI.

The Mutual Fund may not be able to sell such lent out securities and this can lead to temporary illiquidity.

Pending deployment of funds of the Scheme in securities in terms of the investment objective of the Scheme the AMC may park the funds of the Scheme in short term deposits of scheduled commercial banks, subject to the guidelines issued by SEBI vide its circular dated April 16, 2007, as amended from time to time.

These limits will be reviewed by the AMC from time to time based on views on the equity markets and asset liability management needs. However, at all times the portfolio of the Scheme will adhere to the overall investment objective of the Scheme.

Investors should note that companies or sectors which are very capital intensive, which have low returns on capital ratios and/ or which have very volatile business prospectus may not be considered for investment at all. Performance of the Scheme will defer to the extent these companies/ sectors are represented in the Benchmark indices.

### **Review by Board of AMC and Trustees**

A detailed review of the schemes of the Fund including its performance vis-à-vis benchmark index, assets size, rankings/ratings received, if any is placed before the Board of Directors of AMC and to the Trustee on a quarterly basis.

### **Change in Asset Allocation Pattern**

Subject to SEBI (MF) Regulations the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, market opportunities, applicable regulations and political and economic factors. It must be clearly understood that the percentages stated above are only indicative and not absolute and that they can vary substantially depending upon the perception of the Investment Manager, the intention being at all times to seek to protect the interests of the Unit holders. Such changes in the investment pattern will be for short term and for defensive consideration only. Provided further and subject to the above, any change in the asset allocation affecting the investment profile of the Scheme shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the Regulations, as detailed later in this document.

by applicable regulations):

- 1) Equity and equity related instruments:
- 2) Debt securities;
- 3) Money Market Instruments ;
- 4) Investment in Securitised Debt;
- 5) Investment in Mutual Fund Schemes;
- 6) Applicable Derivatives
- 7) Foreign Securities (only equity and equity related instruments)

## **Investment / Risk Mitigation Strategy**

### **1. Risk profile of securitised debt vis-à-vis risk appetite of the Scheme**

The risk profile of securitised debt is generally at par with the risk profile of other debt securities at the same level of credit rating. Securitised debt offers additional income (spread) over a debt security of similar rating and maturity, which enables the scheme to optimize its income without taking any additional credit risk. Securitised debt is generally less liquid, however, investment in securitised debt is made to maintain a diversified portfolio of debt securities that optimizes return without increasing the overall risk profile of the Scheme.

### **2. Policy relating to originators based on nature of originator, track record, NPAs, losses in earlier securitised debt, etc.**

The originator is an entity (like banks, non-banking finance companies, corporates etc), which has initially provided the loan & is also generally responsible for servicing the loans. The schemes will invest in securitised debt of originators with at least investment grade credit rating and established track record. A detailed evaluation of originator is done before the investment is made in securitised debt of any originator on various parameters given below:

#### **Track record**

The investment in securitised debt is done based on origination and underwriting process and capabilities of the originator, overview of corporate structure, group to which they belong, experience of the company in the business, how long they have been in the business, financial condition of the company, credit rating, past performance of similar pools by the originator, etc.

#### **Willingness to pay through credit enhancement facilities etc.**

Credit enhancement is provided by the originator, as indicated by rating agencies, so as to adequately cover the defaults and acts as a risk mitigation measure. The size of the credit enhancement as indicated by rating agency depends on the originator's track record, past delinquencies, pattern of the portfolio & characteristics of the pool vis-a-vis of the portfolio, nature of the asset class.

## **Business Risk Assessment**

The business risk assessment of originator / underlying borrower also includes detailed credit assessment wherein following factors are also considered:

- ★ Outlook for the economy (domestic and global)
- ★ Outlook for the industry
- ★ Company specific factors

Additionally, a detailed review of rating rationale is done along with interactions with the company as well as the rating agency. All investment in securitised debt is done after taking into account points ( with regard to originator) stated below:

- ★ Default track record/ frequent alteration of redemption conditions
- ★ High leverage ratios of the ultimate borrower both on a standalone basis as well on a consolidated level/ group level
- ★ Higher proportion of reschedulement of underlying assets of the pool or loan, as the case may be
- ★ Higher proportion of overdue assets of the pool or the underlying loan, as the case may be

## **Risk mitigation strategies for investments with each kind of originator**

**Investments are based on assessment of following parameters, to mitigate risk associated with such investment:**

- a. Credit quality, size and reach of the originator
- b. Nature of receivables/asset category i.e. cars, commercial vehicles, personal loans etc.
- c. Collection process, infrastructure and follow-up mechanism
- d. Credit cum liquidity enhancement
- e. Asset Quality - portfolio delinquency levels
- f. Past performance of rated pools
- g. Pool Characteristics - seasoning, Loan-to-value ratios, geographic diversity etc.

## **4. Minimum retention percentage by originator of debts to be securitised**

While minimum retention percentage by originator is not prescribed, any amount retained by the originator through subordination is viewed positively at the time of making investment.

## **5. The mechanism to tackle conflict of interest when the mutual fund invests in securitised debt of an originator and the originator in turn makes investments in that particular scheme of the fund.**

All proposals for investment in securitised debt are evaluated by the analyst based on several parameters such as nature of underlying asset category, pool characteristics, asset quality, credit rating of the securitisation transaction, and credit cum liquidity enhancement available. Investment in securitised debt by the scheme is made by the fund manager in line with the investment objective of the scheme.

**Pending deployment as per investment objective, the moneys under the Scheme may be parked in short-**

**term deposits of Scheduled Commercial Banks.**

The Scheme shall comply with the following guidelines for parking of funds in short term deposits:

1. "Short Term" for parking of funds shall be treated as a period not exceeding 91 days.
2. Such short-term deposits shall be held in the name of the Scheme.
3. The Scheme shall not park more than 15% of the net assets in short term deposit(s) of all the scheduled commercial banks put together. However, such limit may be raised to 20% with prior approval of the Trustee.
4. Parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
5. The Scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
6. The Scheme shall not park funds in short-term deposit of a bank, which has invested in the Scheme.

The aforesaid limits shall not be applicable to term deposits placed as margins for trading in cash and derivatives market.

As per the SEBI (MF) Regulations, no investment management fees will be charged for such investments.

**Investment in Foreign Securities:**

The Scheme may also invest in suitable investment avenues in overseas financial markets for the purpose of diversification, commensurate with the Scheme objectives and subject to necessary stipulations by SEBI / RBI. Towards this end, the Mutual Fund may also appoint overseas investment advisors and other service providers, as and when permissible under the regulations. The Scheme may, with the approval of SEBI / RBI invest in:

- i. ADRs/ GDRs issued by Indian or foreign companies
- ii. Equity of overseas companies listed on recognized stock exchanges overseas
- iii. Initial and follow on public offerings for listing at recognized stock exchanges overseas
- iv. Derivatives traded on recognized stock exchanges overseas only for hedging and portfolio balancing with underlying as securities.
- v. Units/securities issued by overseas mutual funds or unit trusts registered with overseas regulators and investing in (a) aforesaid securities, (b) Real Estate Investment Trusts (REITs) listed in recognized stock exchanges overseas or (c) unlisted overseas securities (not exceeding 10% of their net assets). PPFAS Mutual Fund will ensure compliance with SEBI circular SEBI/IMD/CIR No. 7/104753/07 Dated September 26, 2007.

Mutual funds can make overseas investments [as stated in point (i) to (v) above] subject to a maximum of US \$300 million (limit per mutual fund subject to overall limit of US \$ 7 billion) or such limits as may be prescribed by SEBI from time to time.

Subject to the approval of the RBI / SEBI and conditions as may be prescribed by them, the Mutual Fund may open one or more foreign currency accounts abroad either directly, or through the custodian/sub-custodian, to facilitate investments and to enter into/deal in forward currency contracts, currency futures, index options, index futures, interest rate futures/swaps, currency options for the purpose of hedging the risks of assets of a portfolio or for its efficient management.

The Mutual Fund may, where necessary appoint intermediaries as sub-managers, sub-custodians, etc. for managing and administering such investments. The appointment of such intermediaries shall be in accordance with the applicable requirements of SEBI and within the permissible ceilings of expenses.

Under normal circumstances, exposure to foreign securities subject to regulatory limits shall not be more than 35% of the Scheme's net assets.

### **Trading in Derivatives**

The Scheme may take derivative positions based on the opportunities available subject to the guidelines provided by SEBI from time to time and in line with the overall investment objective of the Scheme. The Fund has to comply with the prescribed disclosure requirements. These may be taken to hedge the portfolio, rebalance the same or to undertake any other strategy as permitted under SEBI (MF) Regulations from time to time. Hedging does not mean maximisation of returns but only reduction of systematic or market risk inherent in the investment. The Scheme intends to take position in derivative instruments like Futures, Options, Interest Rate Swaps, Forward Rate Agreements, and such other derivative instruments as may be permitted by SEBI and RBI from time to time.

Pursuant to SEBI Circular No. DNPD/Cir-29/2005 dated September 14, 2005, the Scheme shall be treated as Trading Members at par with a registered FII in respect of position limits in index futures, index options, stock options and stock futures contracts.

Net position in derivatives will be as per fund management process and decision of the fund manager in the best interest of the unit-holders of the scheme. While taking any derivative positions, scheme will comply with applicable SEBI and RBI guidelines as amended from time to time.

Difference between exchange traded derivatives and Over the Counter Trade (OTC):

Derivatives can be traded over the exchange or can be structured between two counter-parties. Those transacted over the exchange are called Exchange Traded derivatives whereas the other category is referred to as OTC (Over the Counter) derivatives. Some of the differences of these two derivative categories are stated below:

#### **Exchange Traded Derivatives:**

These are quoted on the exchanges like any other traded asset class. The common amongst these are the Index Futures, Index Options, Stock Futures and Options on individual equities / securities. The basic form of the futures contract is similar to that of the forward contract, a futures contract obligates its owner to purchase a specified asset at a specified exercise price on the contract maturity date. Futures are cash-settled and are traded only in organised exchanges. Exchange traded derivatives are standardised in terms of amount and delivery date.

Standardisation and transparency generally ensures a liquid market together with narrower spreads. For delivery dates far in the future, there may be insufficient liquidity in the futures market.

**OTC derivatives:**

OTC derivatives require the two parties engaging in a derivatives transaction to come together through a process of negotiations. It is a derivative that is customised in terms of structure, amount, tenor, underlying assets, collateral etc. Some examples of OTC derivatives are interest rate and currency swaps, Forward Rate Agreements (FRAs) etc.

**Position Limits:**

The position limits for trading in derivatives by Mutual Funds specified by SEBI vide SEBI Circular No. DNP/ Cir-29/2005 dated September 14, 2005, SEBI Circular No. DNP/ Cir -30/2006 dated January 20, 2006 and SEBI Circular No. SEBI/DNP/ Cir-31/2006 dated September 22, 2006 are as follows:

Mutual Fund will comply with applicable position limits.

**i. Position limit for Mutual Funds in index options contracts**

a. The Mutual Fund position limit in all index options contracts on a particular underlying index shall be Rs. 250 crore or 15% of the total open interest of the market in index options, whichever is higher, per Stock Exchange.

b. This limit would be applicable on open positions in all options contracts on a particular underlying index.

**ii. Position limit for Mutual Funds in index futures contracts**

a. The Mutual Fund position limit in all index futures contracts on a particular underlying index shall be Rs. 250 crore or 15% of the total open interest of the market in index futures, whichever is higher, per Stock Exchange.

b. This limit would be applicable on open positions in all futures contracts on a particular underlying index.

**iii. Additional position limit for hedging In addition to the position limits at point (i) and (ii) above,**

Mutual Funds may take exposure in equity index derivatives subject to the following limits :

1. Short positions in index derivatives (short futures, short calls and long puts) shall not exceed (in notional value) the Mutual Fund's holding of stocks.

2. Long positions in index derivatives (long futures, long calls and short puts) shall not exceed (in notional value) the Mutual Fund's holding of cash, government securities, T-Bills and similar instruments.

**iv. Position limit for Mutual Funds for stock based derivative contracts**

The Mutual Fund position limit in a derivative contract on a particular underlying stock, i.e. stock option

contracts and stock futures contracts will be as follows :-

1. For stocks in which the market wide position limit is less than or equal to Rs. 250 Crs, the mutual fund position limit in such stocks shall be 20% of the market wide position limit.
2. For stocks in which the market wide position limit is greater than Rs. 250 Crs, the mutual fund position limit in such stocks shall be Rs. 50 Crs.

**v. Position limit for each scheme of a Mutual Fund The scheme-wise position limit requirements shall be :**

1. For stock option and stock futures contracts, the gross open position across all derivative contracts on a particular underlying stock of a scheme of a mutual fund shall not exceed the higher of:

1% of the free float market capitalization (in terms of number of shares). **or** 5% of the open interest in the derivative contracts on a particular underlying stock (in terms of number of contracts).

2. This position limits shall be applicable on the combined position in all derivative contracts on an underlying stock at a Stock Exchange.

3. For index based contracts, Mutual Funds shall disclose the total open interest held by its scheme or all schemes put together in a particular underlying index, if such open interest equals to or exceeds 15% of the open interest of all derivative contracts on that underlying index.

**Exposure Limits**

The exposure limits for trading in derivatives by Mutual Funds specified by SEBI vide its Circular No. Cir/IMD/DF/11/2010 dated August 18, 2010 are as follows:

1. The cumulative gross exposure through equity, debt and derivative positions should not exceed 100% of the net assets of the scheme.
2. Mutual Funds shall not write options or purchase instruments with em-bedded written options.
3. The total exposure related to option premium paid must not exceed 20% of the net assets of the scheme.
4. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure.
5. Exposure due to hedging positions may not be included in the above mentioned limits subject to the following:
  - a. Hedging positions are the derivative positions that reduce possible losses on an existing position in securities and till the existing position remains.
  - b. Hedging positions cannot be taken for existing derivative positions. Exposure due to such positions shall have to be added and treated under limits mentioned in Point 1.
  - c. Any derivative instrument used to hedge has the same underlying security as the existing position being hedged.
  - d. The quantity of underlying associated with the derivative position taken for hedging purposes does

not exceed the quantity of the existing position against which hedge has been taken.

6. Mutual Funds may enter into plain vanilla interest rate swaps for hedging purposes. The counter party in such transactions has to be an entity recognized as a market maker by RBI. Further, the value of the notional principal in such cases must not exceed the value of respective existing assets being hedged by the scheme. Exposure to a single counterparty in such transactions should not exceed 10% of the net assets of the scheme.

7. Exposure due to derivative positions taken for hedging purposes in excess of the underlying position against which the hedging position has been taken, shall be treated under the limits mentioned in point 1.

8. Definition of Exposure in case of Derivative Positions. Each position taken in derivatives shall have an associated exposure as defined under. Exposure is the maximum possible loss that may occur on a position. However, certain derivative positions may theoretically have unlimited possible loss. Exposure in derivative positions shall be computed as follows:

| Position      | Exposure   |
|---------------|--|
| Long Future   | Futures Price * Lot Size * Number of Contracts       |
| Short Future  | Futures Price * Lot Size * Number of Contracts       |
| Option Bought | Option Premium Paid * Lot Size * Number of Contracts |

RBI has issued guidelines on Interest Rate Swaps (IRS) and Forward Rate Agreements (FRA) on July 7, 1999. These products were introduced for deepening the country's money market. SEBI has also permitted trading of interest rate derivatives through Stock Exchanges. The Scheme may trade in these instruments.

### **Interest Rate Swaps (IRS)**

All swaps are financial contracts, which involve exchange (swap) of a set of payments owned by one party for another set of payments owned by another party, usually through an intermediary. An IRS can be defined as a contract between two parties (Counter Parties) to exchange, on particular dates in the future, one series of cash flows, (fixed interest) for another series of cash-flows (variable or floating interest) in the same currency and on the same principal for an agreed period of time. The exchange of cash-flows need not occur on the same date.

### **Forward Rate Agreements (FRA)**

A FRA is an agreement between two counter parties to pay or to receive the difference between an agreed fixed rate (the FRA rate) and the interest rate prevailing on a stipulated future date, based on a notional amount, for an agreed period. In short, in a FRA, interest rate is fixed now for a future period. The special feature of FRAs is that the only payment is the difference between the FRA rate and the Reference rate and hence are single settlement contracts. As in the case of IRS, notional amounts are not exchanged in FRA.

## Lending of Securities

The Scheme may lend Securities from its portfolio in accordance with the SEBI Regulations and the applicable SEBI guidelines. Securities lending shall enable the Scheme to earn income that may partially offset its expenses and thereby reduce the effect these expenses have on the Scheme's ability to provide investment returns that correspond generally to the price and yield performance of its underlying index. Securities lending means the lending of Securities to another person or entity for a fixed period of time at a negotiated compensation in order to enhance returns of the portfolio. The Securities lent would have to be returned by the borrower on the expiry of the stipulated period. The AMC will adhere to strict limits should it engage in Securities lending. The Scheme will pay reasonable administrative and custodial fees in connection with the lending of Securities. The Scheme will be exposed to the risk of loss should a borrower default on its obligation to return the borrowed Securities. The Scheme's share of income from the lending collateral will be included in the Scheme's gross income. Lending of securities will be effected through approved intermediaries. The Mutual Fund will comply with the conditions for Securities lending specified by SEBI (MF) Regulations and circulars.

**The maximum exposure of the Scheme to a single intermediary in the stock lending programme at any point of time would be limited to 5% of the market value of its equity portfolio or upto such limits as may be specified by SEBI. The Scheme will not lend more than 20% of its corpus and limit this programme to 5% for single issuer.**

## Industry Allocation

### E. What are the Investment Strategies?

#### INVESTMENT STRATEGIES AND RISK CONTROL

**Investment approach of the Scheme is governed by following guiding principles:**

##### **Focus on the long term**

Investments would be made with a long term perspective. The investment objective of the Scheme is to seek to generate long-term capital growth from an actively managed portfolio primarily of equity and Equity Related Securities.

The Fund Manager will follow an active investment strategy primarily based on fundamental research driven bottom up stock selection approach. Since Investing requires disciplined risk management, the AMC would incorporate safeguards seeking to control risks in the portfolio construction process. Such safeguards would include reasonable diversification of the portfolio, which the AMC aims to achieve by spreading the investments over a range of industries, sectors and market capitalizations.

##### **Investments confer proportionate ownership**

The approach to valuing a company is similar to making an investment in a business. Therefore, there is a need to have a comprehensive understanding of how the business operates. The key issues to focus on are growth opportunities, sustainable competitive advantage, industry structure, margins, quality of the management and protection of minority shareholders.

### **Maintain a margin of safety**

The benchmark for determining relative attractiveness of stocks would be the intrinsic value of the business. The Investment Manager would endeavor to purchase stocks that represent a discount to this value, in an effort to preserve capital and generate superior growth.

### **Maintain a balanced outlook on the market**

The investment portfolio would be regularly monitored to understand the impact of changes in business and economic trend. While short-term market volatility would affect valuations of the portfolio, this is not expected to influence the decision to own fundamentally strong companies.

### **Disciplined approach to selling**

The decision to sell a holding would be based on either the anticipated price appreciation being achieved or being no longer possible due to a change in fundamental factors affecting the company or the market in which it competes, or due to the availability of an alternative that, in the view of the Investment Manager, offers superior returns.

In summary, the Investment Strategy is expected to be a function of extensive research and based on data and reasoning, rather than current trends. The objective will be to identify “businesses with superior growth prospects and good management, at a reasonable price”.

The Scheme will retain the flexibility to invest in the entire range of debt instruments and money market instruments. Investment in Debt securities and Money Market Instruments will be as per the limits in the asset allocation table of the Scheme, subject to permissible limits laid under SEBI (MF) Regulations. Please refer to ‘Debt securities’ and ‘Money Market Instruments’ under the section ‘WHERE WILL THE SCHEME(S) INVEST’ on Page 26.

**Though every endeavor will be made to achieve the objectives of the Scheme, the AMC/Sponsors/Trustees do not guarantee that the investment objectives of the Scheme will be achieved. No guaranteed returns are being offered under the Scheme.**

The aim will be to build a portfolio, which represents a cross section of the strong growth companies in the prevailing market. In order to reduce the risk of volatility, the Scheme will diversify reasonably across major industries and economic sectors.

The Scheme may also invest to the extent permitted of net assets of the Scheme in derivatives such as Futures & Options and such other derivative instruments as may be introduced from time to time for the purpose of hedging and portfolio balancing and other uses as may be permitted under the Regulations.

The Scheme may also invest a part of its corpus, not exceeding 35% of its net assets, in overseas markets in Global Depository Receipts (GDRs), ADRs, overseas equity, bonds and mutual funds and such other instruments as may be allowed under the Regulations from time to time. Please refer to the Section on Policy on off-shore Investments by the Scheme.

Subject to the Regulations and the applicable guidelines, the Scheme may, engage in Stock Lending

activities. Please refer to the Section on Page 27 on Stock Lending by the Fund.

Pending deployment as per investment objective, the moneys under the Scheme may be parked in short-term deposits of Scheduled Commercial Banks. The Scheme may invest in other schemes managed by the AMC (as and when launched in the future) or in the schemes of any other mutual funds, provided it is in conformity with the investment objectives of the Scheme and in terms of the prevailing SEBI (MF) Regulations. As per the SEBI (MF) Regulations, no investment management fees will be charged for such investments.

### **Risk Control**

Investments made from the net assets of the Scheme would be in accordance with the investment objective of the Scheme and the provisions of the SEBI (MF) Regulations. The AMC will strive to achieve the investment objective by way of a judicious portfolio mix comprising of equity and Equity related Instruments, Debt Securities and Money Market Instruments and permissible Foreign Securities.

### **Credit Evaluation Policy**

The credit evaluation policy of the AMC involves evaluation of credit fundamentals of each investment opportunity. Some of the factors that are evaluated inter-alia may include outlook on the sector, parentage, quality of management, and overall financial strength of the credit. The AMC utilises ratings of recognised rating agencies as an input in the credit evaluation process. Investments in bonds and debenture are usually in instruments that have been assigned high investment grade ratings by a recognized rating agency.

In accordance with SEBI Circular No. MFD/CIR/9/120/ 2000 dated November 24, 2000, the AMC may constitute committee(s) to approve proposals for investments in unrated instruments. The AMC Board and the Trustee shall approve the detailed parameters for such investments. The details of such investments would be communicated by the AMC to the Trustee in their periodical reports. It would also be clearly mentioned in the reports, how the parameters have been complied with. However, in case any security does not fall under the parameters, the prior approval of Board of AMC and Trustee shall be sought.

### **Interest Rate Risk**

An interest rate scenario analysis would be performed on an on-going basis, considering the impact of the developments on the macro-economic front and the demand and supply of funds. Based on the above analysis, the AMC would manage the investments of the Scheme to exploit emerging opportunities in the investment universe and manage risks at all points in time.

### **Liquidity Risk**

The AMC will attempt to reduce liquidity risk by investing in securities that would result in a staggered maturity profile of the portfolio, investment in structured securities that provide easy liquidity and securities that have reasonable secondary market activity. In the event of a requirement to liquidate all or a substantial part of these investments in a very short duration of time, the AMC may not be able to realize the full value of these securities to an adverse impact on the Net Asset Value of the Scheme.

## Strategies for Investment in Derivatives

### Basic Structure of an Index Future

Index Futures are instruments designed to give exposure to the equity market indices. Bombay Stock Exchange and the National Stock Exchange of India Limited are providing trading in index futures of 1, 2 and 3 month maturities.

#### Following are Examples which investors should refer:

Assumptions:

1 month NSE Nifty Future

Spot Index: 5800

Future Price on day 1: 5850

Fund buys 10,000 futures contracts

On Date of settlement

Future price = Closing spot price = 5900

Profits for the und =  $(5900 - 5850) \times 10000 = \text{Rs. } 5,00,000$

interest for the 1 month period

**Please note that the above example is given for illustration purposes only.**

The net impact for the Fund will be in terms of the difference between the closing price of the index and cost price (ignoring margins for the sake of simplicity) plus interest costs on funds that would otherwise be invested in stocks comprising the index.

The risks associated with index futures are similar to those associated with equity investments. Additional risks could be on account of illiquidity and/or mis pricing of the future at any time during the life of the contract.

The strategies stated below are given for illustration purposes only. Some of the strategies involving derivatives that may be used by the Investment Manager, with an aim to protect capital and enhance returns include :

### Strategy Number 1

#### Using Index Futures to increase percentage investment in equities.

This strategy will be used for the purpose of generating returns on idle cash, pending its investment in equities. The Scheme is subject to daily flows There may be a time lag between the inflow of funds and their deployment in stocks. If so desired, the scheme would be able to take immediate exposure to equities via index futures. The position in index futures may be reversed in a phased manner, as the funds are deployed in the equity markets.

#### Example:

The scheme has a corpus of Rs. 50 crore and there is an inflow of Rs. 5 crore in a day. The AMC may buy index

futures contracts of a value of R 5 crore. Later as the money is deployed in the underlying equities, the value of the index futures contracts can be suitably reduced.

| Portfolio  | Event                      | Equity portfolio gain/ (loss) (Rs. In crores) | Derivatives Gain/ (loss) (Rs. In crores) | Total portfolio gain / (loss) (Rs. In crores) |
|--|----------------------------|---|--|---|
| Rs. 50 Crore Equity exposure   | 10% rise in equity prices. | 5   | Nil                                      | 5   |
| Rs.50 Crore Equity exposure + Rs. 5 Crore long position index futures  | 10% rise in equity prices. | 5   | 0.5                                      | 5.5   |
| Rs. 50 Crore Equity exposure   | 10% fall in equity prices. | -5  | Nil                                      | -5  |
| Rs. 50 Crore Equity exposure + Rs. 5 Crore long position index futures | 10% fall in equity prices. | -5  | -0.5                                     | -5.5  |

## RISKS

The strategy of taking a long position in index futures increases the exposure to the market. The long position is positively correlated with the market. However, there is no assurance that the stocks in the portfolio and the index behave in the same manner and thus this strategy may not provide gains perfectly aligned to the movement in the index.

The long position will have as much loss / gain as in the underlying index. e.g. if the index appreciates by 10%, the index future value rises by 10%. However, this is true only for futures contracts held till maturity. In the event that a futures contract is closed out before its expiry, the quoted price of the futures contract may be different from the gain / loss due to the movement of the underlying index. This is called the basis risk.

While futures markets are typically more liquid than the underlying cash market, there can be no assurance that ready liquidity would exist at all points in time, for the Scheme to purchase or close out a specific futures contract.

## Strategy Number 2

### Downside Protection Using Stock Put.

As a stock hedging strategy, the purchase of a put option on an underlying stock held would lead to a capping of the loss in value of the stock in the event of a material decline in the stock's price.

The purchase of a put option against a stock holding in the scheme gives the scheme the option of selling the stock to the writer of the put at the predetermined level of the Put Option, called the strike price. If the stock falls below this level, the downside for the scheme is protected as it has already locked into the selling price.

In case of a fall in the stock's price below the strike price, the value of the Put Option appreciates, approximately corresponding to the extent of the stock's price fall below the strike price.

### **Example:**

Let us assume 20000 shares of XYZ Limited held in the portfolio with a market value of Rs. 1000 per share (overall Rs. 2 crores). The scheme purchases put options on the stock of XYZ Limited (not exceeding its holding of 20000 shares) with a strike price of Rs. 990 for an assumed cost (called Option Premium) of Rs. 15 per share (Rs. 3 lakhs for 20000 shares). By purchasing the above Put Option, the scheme has effectively set a floor to the realisation from the stock at Rs. 975 per share (Rs. 990 strike price less Rs. 15 Option Premium paid).

In case the stock price of the company falls below Rs. 975 per share, the gain in the price of the Put Option when added to the actual market price of the stock would bring the sale realisation per share close to Rs. 975 per share. After purchasing the above Put Option, in case the price of the stock appreciates, remains around Rs. 1000 or declines slightly to remain above the strike price, the scheme may not avail of the option and the cost for having bought the option remains fixed at Rs. 15 per share. In effect, a floor (in this case effectively Rs. 975) is set to the stock by buying an Option at a cost that is known (in this case Rs. 15 per share).

### **Risks**

There can be no assurance that ready liquidity would exist at all points in time, for the scheme to purchase or close out a specific options contract.

A hedging strategy using Put Options is a perfect hedge on the expiration date of the put option. On other days, there may be (temporary) imperfect correlation between the share price and the put option.

In terms of Circular No. MFD.BC.191/07.01.279/1999-2000 and MPD.BC.187/07.01.279/1999-2000 dated November 1, 1999 and July 7, 1999 respectively issued by Reserve Bank of India permitting participation by Mutual Funds in Interest Rate Swaps and Forward Rate Agreements. These products were introduced for deepening the country's money market. The Scheme may trade in these instruments for the purpose of hedging and portfolio balancing or to undertake any other strategy as permitted under SEBI (MF) Regulations from time to time. SEBI has also permitted trading of interest rate derivatives through Stock Exchange.

### **Basic Structure of a Swap**

Assume that the Scheme has a Rs. 20 crore floating rate investment linked to MIBOR (Mumbai Inter Bank Offered Rate). Hence, the Scheme is currently running an interest rate risk and stands to lose if the interest rate moves down. To hedge this interest rate risk, the Scheme can enter into a 6 month MIBOR swap. Through this swap, the Scheme will receive a fixed predetermined rate (assume 8%) and pays the "benchmark rate" (MIBOR), which is fixed by the National Stock Exchange of India Limited (NSE) or any other agency such as Reuters. This swap would effectively lock-in the rate at 8% for the next 6 months, eliminating the daily interest rate risk. This is usually routed through an intermediary who runs a book and matches deals between various counter parties.

The steps will be as follows -

Assuming the swap is for Rs. 20 crore June 1, 2012 to December 1, 2012. The Scheme is a fixed rate receiver at 8% and the counterparty is a floating rate receiver at the overnight rate on a compounded basis (say NSE MIBOR).

On June 1, 2012 the Scheme and the counterparty will exchange only a contract of having entered this swap. This documentation would be as per International Swap Dealers Association (ISDA).

On a daily basis, the benchmark rate fixed by NSE will be tracked by them.

On December 1, 2012 they will calculate the following-

The Scheme is entitled to receive interest on Rs. 20 crore at 8% for 184 days i.e. 81 Lakhs, (this amount is known at the time the swap was concluded) and will pay the compounded benchmark rate.

The counterparty is entitled to receive daily compounded call rate for 184 days & pay 8% fixed.

On December 1, 2012, if the total interest on the daily overnight compounded benchmark rate is higher than Rs. 81 Lakhs the Scheme will pay the difference to the counterparty. If the daily compounded benchmark rate is lower, then the counterparty will pay the Scheme the difference.

Effectively the Scheme earns interest at the rate of 8% p.a. for six months without lending money for 6 months fixed, while the counterparty pays interest @ 8% p.a. for 6 months on Rs. 20 crore, without borrowing for 6 months fixed.

The above example illustrates the benefits and risks of using derivatives for hedging and optimizing the investment portfolio. Swaps have their own drawbacks like credit risk, settlement risk. However, these risks are substantially reduced as the amount involved is interest streams and not principal.

### **Forward Rate Agreement**

**Assume that on April 30, 2012, the 30 day commercial paper**

(CP) rate is 5.75% and the Scheme has an investment in a CP of face value Rs. 25 crores, which is going to mature on May 30, 2012. If the interest rates are likely to remain stable or decline after May 30, 2012, and if the fund manager, who wants to redeploy the maturity proceeds for 1 more month, does not want to take the risk of interest rates going down, he can then enter into a following forward rate agreement (FRA) say as on April 30:

He can receive 1 X 2 FRA on April 30, 2012 at 5.75% (FRA rate for 1 months lending in 2 months time) on the notional amount of Rs. 25 crores, with a reference rate of 30 day CP benchmark. If the CP benchmark on the settlement date i.e. May 30, 2012 falls to 5.50%, then the Scheme receives the difference 5.75 - 5.50 i.e. 25 basis points on the notional amount of 25 crores for 1 month. The maturity proceeds are then reinvested at say 5.50% (close to the benchmark). The scheme, however, would have locked in the rate prevailing on April 30, 2012 (5.75%) as it would have received 25 basis points more as settlement amount from FRA. Thus the fund manager can use FRA to mitigate the reinvestment risk.

In this example, if the rates move up by 25 basis points to 6% on the settlement date (May 30, 2012), the

Scheme loses 25 **basis points** but since the reinvestment will then happen at 6%, effective returns for the Scheme is unchanged at 5.75%, which is the prevailing rate on May 30, 2012.

### **Risk Factors of SWAP / Forward Rate Agreement**

**Credit Risk:** This is the risk of defaults by the counter-party. This is usually negligible, as there is no exchange of principal amounts in a derivative transaction.

**Market Risk:** Market movements may adversely affect the pricing and settlement derivatives.

**Illiquidity Risk:** The risk that a derivative cannot be sold or purchased quickly enough at a fair price, due to lack of liquidity in the market.

### **PORTFOLIO TURNOVER**

Portfolio turnover is a measure that is used to assess the level of transactional activity within a scheme by calculating the proportion of the securities that are held within the underlying portfolio that are bought and sold during a specified period of typically 1 year. Portfolio Turnover is defined as the lower of sales or purchases divided by the average net asset value of the Scheme over the relevant period.

The Scheme is an open-ended Scheme. It is expected that there would be a number of subscriptions and redemptions on a daily basis. Consequently, it is difficult to estimate with any reasonable measure of accuracy, the likely turnover in the portfolio.

Investors should note that high portfolio turnover may lead to reduced returns on investments due to additional transaction costs.

|  |  |
|--|--|
| <b>Scheme's portfolio turnover ratio</b> | Portfolio Turnover (Incl. Equity Arbitrage) 96.71% |
|  | Portfolio Turnover (Excl. Equity Arbitrage) 9.95%  |

### **INVESTMENT DECISIONS**

The Fund Manager of the Scheme is responsible for making buy / sell decisions for the Scheme's portfolio and will seek to develop a reasonably diversified portfolio that minimizes liquidity and credit risk. The investment decisions will be taken by the Scheme keeping in view the investment objective of the Scheme, market conditions and all the relevant aspects.

The AMC will formulate broad investment strategies for the Scheme including investments in unrated debt instruments, reviewing performance of the Scheme and general market outlook. The approval of unrated debt instruments will be based on detailed parameters laid down by the Board of the AMC and the Trustees. The details of such investments will be communicated by the AMC to the Trustees in their periodical reports along with a disclosure regarding how the parameters have been complied with. Such reporting shall be in the manner prescribed by SEBI from time to time. The AMC will review all the investments made by the Scheme.

It is the responsibility of the AMC to seek to ensure that the investments are made as per the Regulatory guidelines, the investment objectives of the Scheme and in the interest of the Unit holders of the Scheme.

The AMC will keep a record of all investment decisions in accordance with the guidelines issued by SEBI. The Fund Manager shall seek to ensure that the funds of the Scheme are invested in line with the Regulatory

guidelines, the investment objective of the Scheme and in the interest of the Unit holders of the Scheme.

Investment decisions are taken by the fund manager of the Scheme. The CEO of the AMC shall ensure that the investments made by the fund managers are in the interest of the Unit holders.

Periodic presentations will be made to the Board of Directors of the AMC and Trustee Company to review the performance of the Scheme.

#### **INVESTMENT BY THE AMC IN THE SCHEME**

The AMC may invest in the Scheme anytime during the continuous offer period subject to the SEBI (MF) Regulations. As per the existing SEBI (MF) Regulations, the AMC will not charge Investment Management and Advisory fee on the investment made by it in the Scheme or other existing schemes of the Mutual Fund.

The Scheme may invest in other schemes (as and when PPFAS Mutual Fund introduces new scheme/s) managed by the AMC or in the schemes of any other mutual funds, provided it is in conformity with the investment objectives of the Scheme and in terms of the prevailing SEBI (MF) Regulations.

#### **INVESTMENT IN SCHEME BY DIRECTORS OF AMC AND TRUSTEE COMPANY.**

Directors of Asset Management Company and Trustee Company may invest in the scheme of PPFAS Mutual Fund. AMC will charge normal investment management and advisory fees as per existing SEBI (MF) Regulations.

Compliance with SEBI(Prohibition of Insider Trading) Regulations, 2015 and SEBI Circular MFD/CIR/ 05/432/2002 dated June 20, 2002 will be ensured.

#### **INVESTMENT IN SCHEME BY EMPLOYEES OF ASSET MANAGEMENT COMPANY.**

Fund Manager/s of the scheme will invest in the scheme managed by him/ her. Further employees of Asset Management Company may invest in the scheme floated by the PPFAS Mutual Fund. AMC will charge normal investment management and advisory fees as per existing SEBI (MF) Regulations.

Aggregate investment in the scheme by the Fund Managers is Rs. 92,459,516 ; Board of Director is Rs. 31,810,286 ; AMC is Rs. 242,812,396 and the Key Personnel is Rs. 6,038,190 as on July 31, 2017.

Note: Rajeev Thakkar is Director, Fund Manager as well as Key Employee, his investments in the Scheme is covered only under the head "Investments by Fund Manager (s)".

Neil Parag Parikh is Director as well as Key Employee, his investment in the Scheme is covered only under the head "Investments by Director (s)".

Compliance with SEBI(Prohibition of Insider Trading) Regulations, 2015 and SEBI Circular MFD/ CIR/ 05/432/2002 dated June 20, 2002 will be ensured.

#### **Voluntary Disclosure of Investment and redemption in the Scheme:**

PPFAS Mutual Fund will disclose on its website <http://amc.ppfas.com> the details of investment and redemption in the units of the scheme by directors of AMC and Trustee Company. These details shall also be provide for any investment and redemption by Fund Manager/s and key employees of AMC.

#### **F. Fundamental Attributes**

Following are the Fundamental Attributes of the Scheme, in terms of Regulation 18 (15A) of the SEBI (MF) Regulations:

Investors will have the right to discontinue the SIP facility at any time by sending a written request to any of the Official Point of Acceptance. Notice of such discontinuance should be received at least 30 days prior to the due date of the next debit. On receipt of such request, the SIP facility will be terminated. It is clarified that if the Fund fails to get the proceeds for three consecutive Installments (due to non-availability of funds) out of a continuous series of Installments submitted at the time of initiating a SIP), the AMC reserves the right to discontinue the SIP.

An investor can also invest in the Scheme through SIP Facility through the Stock Exchange mechanism as such SIP frequency available under the Stock Exchange mechanism from time to time.

**Systematic Withdrawal Plan (SWP):**

This facility enables unit-holders to withdraw a fixed sum (subject to tax deduction at source, if applicable ) by redemption of units in the unit-holder's account at the regular intervals through a one time request.

The unit-holder can choose 1st or 10th day of every month as the SWP date ( in case the date selected falls on a non-business day, the transaction will be effected on the next business of the scheme.)

The default SWP date will be 10th of every month. The SWP frequency will be monthly.

The minimum SWP installment size is Rs. 1,000/- and in multiple of Re. 1 thereafter and SWP request should be for a minimum period of 12 months.

A minimum period of 15 calendar days shall be required for registration of SWP. Unit-holder may change the amount ( but not below the minimum specified amount)/ frequency by giving a written notice at any Investor Service Center at least 15 calendar days prior to next SWP execution date.

The SWP may be terminated by a written notice of 15 calendar days by a unit-holder. This SWP termination request may be sent to the office of AMC or at any Investor Service Center.

SWP will be automatically terminated if all units are liquidated or withdrawn from the scheme or pledged or upon receipt of intimation of death of unit-holder.

Load structure prevailing at the time of submission of the SWP application will apply for all installments indicated in such application.

**Transactions through Electronic Mode:**

The Mutual Fund may (at its sole discretion and without being obliged in any manner to do so and without being responsible and /or liable in any manner whatsoever), allow transactions in Units by electronic mode (web/ electronic transactions) including transactions through the various web sites with which the AMC would have an arrangement from time to time. Subject to the investor fulfilling certain terms and conditions as stipulated by AMC from time to time, the AMC, Mutual Fund, Registrar or any other agent or representative of the AMC, Mutual Fund, the Registrar may accept transactions through any electronic mode including web transactions and as permitted by SEBI or other regulatory authorities from time to time

**Registration of Multiple Bank Accounts in respect of an Investor Folio:**

An Investor can register with the Fund upto 5 bank accounts in case of individuals and HUFs and upto 10 in other cases.

Registering of Multiple Bank Accounts will enable the Fund to systematically validate the pay-in of funds and avoid acceptance of third party payments. For the purpose of registration of bank account(s), Investor should submit Bank Mandate Registration Form (available at the AMC Website, office of AMC and Official point of Acceptance) together with any of the following documents:

Cancelled original cheque leaf in respect of bank account to be registered where the account number and names of the account holders are printed on the face of the cheque; or Bank statement or copy of Bank Pass Book page with the Investor's Bank Account number, name and address.

The above documents will also be required for change in bank account mandate submitted by the Investor.

The AMC will register the Bank Account only after verifying that the sole/ first joint holder is the holder / one of the joint holders of the bank account. In case if a copy of the above documents is submitted, Investor shall submit the original to the AMC/ Investor Service Centre for verification and the same shall be returned.

In case of Multiple Registered Bank Account, Investor may choose one of the registered bank accounts for the credit of redemption/dividend proceeds (being - Pay-out bank account).

Investor may however, specify any other registered bank accounts for credit of redemption proceeds at the time of requesting for the redemption. Investor may change such Pay-out Bank account, as necessary, through written instructions.

However, if request for redemption is received together with a change of bank account (unregistered new bank account) or before verification and validation of new bank account, the redemption request would be processed to the currently registered default old bank account.

Bank account which is stated first shall be treated as default bank account.

For further details please refer to paragraph on Registration of Multiple Bank Accounts in respect of an Investor Folio in the SAI.

The AMC reserves the right to alter/ discontinue all / any of the above mentioned special product(s)/ facility(ies) at any point of time. Further, the AMC reserves the right to introduce more special product(s) / facility(ties) at a later date subject to prevailing SEBI Guidelines and Regulations.

#### **FACILITY TO PURCHASE / REDEEM UNITS OF THE SCHEME(S) THROUGH STOCK EXCHANGE(S).**

PPFAS Mutual Fund is introducing the facility to purchase and redeem units of PPFAS Mutual Fund scheme/s through Stock Exchange Platform, in accordance with SEBI Circulars No. CIR/MRD/DSA/32/2013 dated October 4, 2013, Circular No. SEBI/IMD/CIR No. 11/183204/ 2009 dated November 13, 2009 and Circular No. CIR/IMD/DF/17/2010 dated November 9, 2010.

#### **The following are the salient features of the new facility introduced for the benefit o investors**

1. This facility i.e. purchase/redemption of units will be available to both existing and new investors.
2. The investors will be eligible to purchase /redeem units of the aforesaid scheme.
3. All trading members of BSE & NSE who are registered with AMFI as Mutual Fund Advisors, mutual fund distributors registered with the AMFI and who are permitted by the respective recognised stock exchange and who have signed up with PPFAS Asset Management Private Limited and also registered with BSE & NSE as Participants ("AMFI certified stock exchange brokers") will be eligible to offer this facility to investors. In order to facilitate transactions in mutual fund units through the stock exchange infrastructure, BSE has introduced BSE StAR MF Platform and NSE has introduced Mutual Fund Service System (MFSS).  
  
Further, the units of PPFAS Mutual Fund scheme/(s) are permitted to be transacted through clearing members of the registered Stock Exchanges and Depository Participants of Registered Depositories are permitted to process only redemption request of units held in demat form as per SEBI Circular No. CIR/IMD/DF/17/2010 dated November 9, 2010.
4. BSE StAR MF and MFSS are electronic platforms introduced by BSE & NSE respectively for transacting in units of mutual funds. **The units of eligible Scheme are not listed on BSE & NSE and the same cannot be traded on the Stock Exchange.** The window for purchase/redemption of units on BSE & NSE will be available between 9 a.m. and 3 p.m. or such other timings as may be decided.
5. PPFAS Mutual Fund has currently entered into an arrangement with BSE & NSE for facilitating transactions in select PPFAS Mutual Fund scheme/s through the AMFI certified stock exchange brokers. Investors who are interested in transacting in eligible schemes of PPFAS Mutual Fund should register themselves with AMFI certified stock exchange brokers.
6. The eligible AMFI certified stock exchange brokers, Clearing members of recognised stock exchanges and Depository Participants will be considered as Official Points of Acceptance (OPA) of PPFAS Mutual Fund as per applicable guidelines.

7. Investors have an option to hold the units in physical or dematerialized form.

8. Investors will be able to purchase/redeem units in eligible scheme/s in the following manner :

**i. Purchase of Units:**

**a. Physical Form**

The investor who chooses the physical mode is required to submit all requisite documents along with the purchase application (subject to applicable limits prescribed by BSE/NSE) to the AMFI certified stock exchange brokers.

The AMFI certified stock exchange broker shall verify the application for mandatory details and KYC compliance.

After completion of the verification, the purchase order will be entered in the Stock Exchange system and an order confirmation slip will be issued to investor.

The investor will transfer the funds to the AMFI certified stock exchange brokers.

Allotment details will be provided by the AMFI certified stock exchange brokers to the investor.

**b. Dematerialized Form**

- The investors who intend to deal in depository mode are required to have a demat account with CDSL/NSDL.
- The investor who chooses the depository mode is required to place an order for purchase of units (subject to applicable limits prescribed by BSE/NSE) with the AMFI certified stock exchange brokers.
- The investor should provide their depository account details to the AMFI certified stock exchange brokers.
- The purchase order will be entered in the Stock Exchange system and an order confirmation slip will be issued to investor.
- The investor will transfer the funds to the AMFI certified stock exchange brokers.
- Allotment details will be provided by the AMFI certified stock exchange brokers to the investor.

ii. Redemption of Units:

**a. Physical Form**

- The investor who chooses the physical mode is required to submit all requisite documents along with the redemption application (subject to applicable limits prescribed by BSE/NSE) to the AMFI certified stock exchange brokers.
- The redemption order will be entered in the Stock Exchange system and an order confirmation slip will be issued to investor.
- The redemption proceeds will be credited to the bank account of the investor, as per the bank account details recorded with PPFAS Mutual Fund.

**b. Dematerialized Form**

- The investors who intend to deal in depository mode are required to have a demat account with CDSL/NSDL and units converted from physical mode to demat mode prior to placing of redemption order.
- The investor who chooses the depository mode is required to place an order for redemption (subject to applicable limits prescribed by BSE/NSE) with the AMFI certified stock exchange brokers. The investors should provide their Depository Participant with Depository Instruction Slip with relevant units to be credited to Clearing Corporation pool account.
- The redemption order will be entered in the system and an order confirmation slip will be issued to investor.

Provisions of Point 9 and 10 shall be applicable with respect to investors having demat account and purchasing or redeeming mutual fund units through stock exchange brokers and clearing members:

9. Investors shall receive redemption amount (if units are redeemed) and units (if units are purchased) through broker/ clearing member's pool account. PPFAS Asset Management Private Limited (the "AMC")/PPFAS Mutual Fund (the "Mutual Fund") shall pay proceeds to the broker/ clearing member (in case of redemption) and broker/clearing member in turn to the respective investor and similarly units shall be credited by the AMC/ Mutual Fund into broker/ clearing member's pool account (in case of purchase) and broker/clearing member in turn shall credit the units to the respective investor's demat account.

10. Payment of redemption proceeds to the broker/clearing members by AMC/Mutual Fund shall discharge AMC/ Mutual Fund of its obligation of payment to individual investor. Similarly, in case of purchase of units, crediting units into broker/clearing member pool account shall discharge AMC/Mutual Fund of its obligation to allot units to individual investor.

11. Applications for purchase/redemption of units which are incomplete /invalid are liable to be rejected.

12. Separate folios will be allotted for units held in physical and demat mode. In case of non-financial requests/applications such as change of address, change of bank details, etc. investors should approach Investor Service Centres (ISCs) of PPFAS Mutual Fund if units are held in physical mode and the respective Depository Participant(s) if units are held in demat mode.

13. An account statement will be issued by PPFAS Mutual Fund to investors who purchase/ redeem their units under this facility in physical mode. In case of investors who intend to deal in units in depository mode, a demat statement will be sent by Depository Participant showing the credit/debit of units to their account.

14. The applicability of NAV will be subject to guidelines issued by SEBI on Uniform cut-off timings for applicability of NAV of Mutual Fund Scheme(s)/Plan(s).

15. Investors will have to comply with Know Your Customer (KYC) norms as prescribed by BSE/NSE/CDSL/ NSDL and PPFAS Mutual Fund to participate in this facility.

16. Investors should get in touch with Investor Service Centres (ISCs) of PPFAS Mutual Fund for further details.

17. The Mutual Fund distributors (registered) shall not handle payout and pay in of funds as well as units on behalf of investor. In the same manner, units shall be credited and debited directly from the demat account of investors, in accordance with applicable SEBI guidelines.

Investors should note that Brokers, Clearing members and Depository Participants will be considered as Official Points of Acceptance (OPA) of PPFAS Mutual Fund in line with SEBI Circular No. SEBI/IMD/CIR No. 11/78450/06 dated October 11, 2006 and conditions stipulated in SEBI Circular No. SEBI /IMD / CIR No.11/183204/2009 dated November 13, 2009 for stock brokers viz. ## B. Computation of NAV

The Net Asset Value (NAV) per Unit of the Scheme(s) will be computed by dividing the net assets of the Scheme(s) by the number of Units outstanding under the Scheme on the valuation date. The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VIII of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time. NAV of Units of under each Scheme / Plan shall be calculated as shown below:

$$\begin{array}{rcl}
 & \text{Market or Fair Value of the Scheme's Investments} & \\
 & + \text{Current Assets} & \\
 & - \text{Current Liabilities and Provisions} & \\
 \text{NAV (Rs) per unit} & = & \frac{\quad}{\text{No. of Units outstanding under the Scheme / Plan}}
 \end{array}$$

The NAV of the Scheme(s) will be calculated and disclosed at the close of every Business Day.

Separate NAV will be declared for Direct and Regular Plan (Please refer to SEBI circular, CIR/IMD/DF/21/2012 dated 13<sup>th</sup> September 2012).

The NAV of the Scheme(s) will be calculated up-to 4 decimals. Units will be allotted up-to 3 decimals.

NAV will also be displayed on the website of the Mutual Fund. In addition, the ISCs would also display the NAV.

### **Valuation of foreign securities**

The security issued outside India and listed on the stock exchanges outside India shall be valued as follows:

The security issued outside India and listed on the stock exchanges outside India shall be valued at the closing price on the stock exchange at which it is listed. However in case a security is listed on more than one stock exchange, the AMC reserves the right to determine the stock exchange, the price of which would be used for the purpose of valuation of that security. Any subsequent change in the reference stock exchange used for valuation will be backed by reasons for such change being recorded in writing by the AMC. Further in case of extreme volatility in the overseas markets, the securities listed in those markets may be valued on a fair value basis.

For valuation of securities registered in USA, NYSE has been selected as principal stock exchange. If any security is not listed on NYSE, security prices as quoted on NASDAQ will be considered.

For securities registered in UK, LSE (London Stock Exchange) has been selected as principal stock exchange. Securities prices as quoted on LSE will be used for valuation purposes.

If a significant event has occurred after security prices were established for the computation of NAV of the Scheme, the AMC reserves the right to value the said securities on fair value basis.

When on a particular valuation day, a security has not been traded on the selected stock exchange; the security will be valued in accordance with SEBI guidelines applicable for security listed in India.

"If the security is listed in a time zone ahead of India, then the same day's closing price would be used for valuation. If the security is listed in a time zone behind India, then the previous days price would be used for valuation."

On the Valuation Day, all assets and liabilities denominated in foreign currency will be valued in Indian Rupees at the exchange rate available on Bloomberg / Reuters / RBI. The Trustees reserve the right to change the source for determining the exchange rate.

The exchange gain / loss resulting from the aforesaid conversion shall be recognized as unrealized exchange gain / loss in the books of the Scheme on the day of valuation.

Further, the exchange gain / loss resulting from the settlement of assets / liabilities denominated in foreign currency shall be recognized as realized exchange gain / loss in the books of the scheme on the settlement of such assets / liabilities.

The AMC will calculate and disclose the firstNAV of the Scheme within a period of 5 business days from the date of allotment. Subsequently, the NAVs will be calculated for all the Business Days.

## IV. Fees and Expenses

This section outlines the expenses that will be charged to the Scheme. The information provided under this Section seeks to assist the investor in understanding the expense structure of the Scheme and types of different fees / expenses and their percentage the investor is likely to incur on purchasing and selling the Units of the Scheme.

### A. New Fund Offer (NFO) Expenses

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees, marketing and advertising expenses, Registrar & Transfer Agents' expenses, printing and stationary, bank charges etc.

In accordance with the provisions of SEBI Circular no. SEBI/ IMD/CIR No. 1/64057/06 dated April 04, 2006 and SEBI/IMD/CIR No. 4/ 168230/09 dated June 30, 2009, the NFO expenses shall be borne by the AMC/ Trustee/Sponsor and not by the scheme of mutual fund.

### B. Annual Scheme Recurring Expenses

These are the fees and expenses for operating the Scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table below:

The AMC has estimated that upto 2.5% of the daily net assets of the Scheme will be charged to the Scheme as expenses. Please refer to the table below for details. For the actual current expenses being charged, the investor should refer to the website of the Mutual Fund viz. <http://amc.ppfas.com>.

Impact of expense ratio on scheme's returns:-

Suppose the portfolio returns of the scheme before charging expenses is 10% on a given period of time and the total expense ratio of the scheme is 2%. Hence, the net returns of the scheme will be 8%, ie.  $10\% - 2\% = 8\%$

### C. Scheme Expense Structure:

| Expense Head                            | Regular Plan          | Direct Plan           |
|---|-----------------------|-----------------------|
|   | % of daily Net Assets | % of daily Net Assets |
| Investment Management and Advisory Fees |                       |                       |
| Trustee fee                             |                       |                       |
| Audit fees                              |                       |                       |
| Custodian fees                          |                       |                       |

| Cost of fund transfer from location to location  |            |            |
| Cost of providing account statements and dividend redemption cheques and warrants                        |            |            |
| Costs of statutory Advertisements  |            |            |
| Cost towards investor education & awareness (at least 2 bps)   |            |            |
| Brokerage & transaction cost over and above 12 bps and 5 bps for cash and derivative market trades resp. |            |            |
| Service tax on expenses other than investment and advisory fees  |            |            |
| Service tax on brokerage and transaction cost  |            |            |
| Other Expenses   |            |            |
| Maximum total expense ratio (TER) permissible under Regulation 52 (6) (c) (i) and (6) (a)                | Upto 2.50% | Upto 2.00% |
| Additional expenses under regulation 52 (6A) (c)   | Upto 0.20% | Upto 0.20% |
| Additional expenses for gross new inflows from specified cities  | Upto 0.30% | Upto 0.30% |

**Note:** Expense structure for Direct Plan will be lower than the regular plan.

Commission or distribution expenses will not be charged in case of direct plan. The Total Expense Ratio (TER) of Direct Plan will be lower by 20% in relation to Regular Plan.

The purpose of the above table is to assist the Investor in understanding the various costs and expenses that an Investor in the Scheme will bear directly or indirectly.

These estimates have been made in good faith as per the information available to the Investment Manager and are subject to change inter-se. The expenses under any head may be more or less than as specified in the table above, but the total recurring expenses that can be charged to the Scheme will be subject to limits prescribed from time to time under the SEBI (Mutual Fund) Regulations.

The AMC shall charge the Mutual Fund with investment and advisory fee as prescribed in the SEBI (MF) Regulations from time to time. Presently, the SEBI (MF) Regulations permit fees as follows:

**The recurring expenses of the Scheme shall be as per the limits prescribed under the SEBI (MF) Regulations. These are as follows:**

**Total Recurring Expense as a % of Daily Average Net Assets\*\***

- (i) on the first Rs.100 cores of the daily net assets 2.5%;
- (ii) on the next Rs.300 cores of the daily net assets 2.25%;
- (iii) on the next Rs.300 cores of the daily net assets 2.00%;
- (iv) on the balance of the assets 1.75%:

\*\* Minimum of 0.02% shall be allocated annually to investor education and awareness initiatives

It is possible that the AMC may charge the maximum recurring expenses provided above as investment management and advisory fees. In such case the other recurring expenses will not be charged to the Scheme except for 0.02% on daily net assets for investor education and awareness initiatives. Maximum expenses shall be capped at 2.50 % of AUM.

Service tax on investment management and advisory fees, to the Scheme will be, in addition to the maximum annual recurring expenses that may be charged to the Scheme.

**In addition to the limits specified above as permitted under Regulation 52 (6A) of the SEBI Regulations, the following costs or expenses may be charged to the Scheme:**

1. brokerage and transaction costs which are incurred for the purpose of execution of trade and is included in the cost of investment, not exceeding 0.12% in case of cash market transactions and 0.05% in case of derivatives transactions;

2. expenses not exceeding of 0.30% of daily net assets, if the new inflows fom beyond the top 15 cities are at least:

(i) 30 % of gross new inflows in the Scheme or;

(ii) 15 % of the average assets under management (year to date) of the Scheme,

whichever is higher:

Provided that:

(i) if inflows fom such cities is less than the higher of sub-clause (i) or (ii), such expenses on daily net assets of the Scheme shall be charged on proportionate basis;

(ii) expenses charged under Regulation 52(6A)(b) shall be utilised for distribution expenses incurred for bringing inflows fom such cities;

(iii) the amount incurred as expense on account of inflows fom such cities shall be credited back to the Scheme in case the said inflows ae redeemed within a period of one year from the date of investment;

3. Additional expenses, incurred towards different heads mentioned under sub-regulations (2) and (4) of Regulation 52 of the SEBI Regulations shall not exceed 0.20 % of daily net assets of the Scheme.

Subject to the Regulations and the Offer Document, expenses over and above the prescribed ceiling will be borne by the AMC, Trustees or the Sponsor.

## D. Transaction Charges

SEBI with the intent to enable investment by people with small saving potential and to increase reach of Mutual Fund products in urban areas and in smaller towns, wherein the role of the distributor is vital, has allowed AMC's vide its circular No. Cir/IMD/ DF/13/ 2011 dated August 22, 2011 to deduct transaction charges for subscription of Rs. 10,000/- and above. The said transaction charges will be paid to the distributors of the Mutual Fund products.

In accordance with the said circular, AMC / Mutual Fund will deduct the transaction charges from the subscription amount and pay to the distributors (who have opted to receive the transaction charges) as shown in the table below. Thereafter, the balance of the subscription amount shall be invested (distributors' decision to opt in or opt out of levying transaction charges is applicable at plan/option/product level).

(i) Transaction charges shall be deducted for Applications for purchase/ subscription received through distributor/ agent as under:

| Investor Type                                       | Investor Type  |
|---|--|
| First Time Mutual Fund Investor                     | Transaction charge of Rs. 150/- for subscription of Rs. 10,000 and above will be deducted from the subscription amount and paid to the distributor/ agent of the first time investor. The balance of the subscription amount shall be invested.  |
| Investor other than First Time Mutual Fund Investor | Transaction charge of Rs. 100/- per subscription of Rs. 10,000 and above Mutual Fund will be deducted from the subscription amount and paid to the distributor/ agent of the investor. The balance of the subscription amount shall be invested. |

However, transaction charges in case of investments through SIP shall be deducted only if the total commitment (i.e. amount per SIP installment x No. of installments) amounts to Rs. 10,000/- or more. The transaction charges shall be deducted in 4 installments.

Identification of investors as "firsttime" or "existing" will be based on Permanent Account Number (PAN) at the First/ Sole Applicant/ Guardian level. Hence, Unit holders are urged to ensure that their PAN / KYC is updated with the Fund. Unit holders may approach any of the Official Points of Acceptances of the Fund i.e. Investor Service Centres (ISCs) of the Fund/ offices of our Registrar and Transfer Agent, M/s. Computer Age Management Services Pvt. Ltd in this regard.

**(ii) It may be noted that Transaction Charges shall not be deducted:**

- (a) where the distributor of the investor has not opted to receive any Transaction Charges (distributors' decision to opt in or opt out of levying transaction charges is applicable at plan/option/product level);
- (b) for purchases / subscriptions/ total commitment amount in case of SIP of an amount less than Rs. 10,000/-;
- (c) for transactions other than purchases / subscriptions relating to new inflows i.e through switches, etc.;
- (d) for purchases / subscriptions made directly with the Fund (i.e. not through any distributor);
- (e) for purchases / subscriptions routed through Stock Exchange(s) as applicable.

## E. Load Structure

Load is an amount, which is paid by the investor to subscribe to the units or to redeem the units from the scheme. This amount is used by the AMC to pay commissions to the distributor and to take care of other marketing and selling expenses. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (<http://amc.ppfas.com>) or call at 022 6140 6538 or your distributor.

### Details of Load Structure (On Ongoing basis)

| Particulars ( as a % of Applicable NAV) | Parag Parikh Long Term Value Fund  |
|---|--|
| Entry Load                              | <p>Not Applicable.</p> <p>Pursuant to SEBI circular no. SEBI/IMD/CIR No.4/168230/09 dated June 30, 2009, no entry load will be charged by the Scheme to the investor.</p> <p>Upfront commission shall be paid directly by the investor to the ARN Holder (AMFI registered Distributor) based on the investors' assessment of various factors including the service rendered by the ARN Holder.</p>   |
| Exit/ Redemption Load                   | <p>2.00 % if the investment is redeemed on or before 365 days from the date of allotment of units.</p> <p>1.00 % if the investment is redeemed after 365 days but on or before 730 days from the date of allotment of units.</p> <p>No Exit Load will be charged if investment is redeemed after 730 days from the date of allotment of units.</p> <p>No exit load will be charged, in case of switch transactions between Regular Plan and Direct Plan of the Scheme for existing as well as prospective investors.</p> |

Under the Scheme , the Trustee / AMC reserves the right to modify / change the Load structure if it so deems fit in the interest of smooth and efficient functioning of the Mutual Fund. The AMC reserves the right to introduce / modify the Load Structure depending upon the circumstances prevailing at that time subject to maximum limits as prescribed under the SEBI (Mutual Funds) Regulations.

The Load may also be changed from time to time and in the case of an Exit / Redemption Load this may be linked to the period of holding.

The Redemption Price however, will not be lower than 93% of the NAV, and the Sale Price will not be higher than 107% of the NAV, provided that the difference between the Redemption price and Sale price at any point in time shall not exceed the permitted limit as prescribed by SEBI from time to time which is presently 7% calculated on the Sale Price.

Any imposition or enhancement of Exit Load in the load shall be applicable on prospective investments only.

The investor is requested to check the prevailing load structure of the scheme before investing.

However, AMC shall not charge any load on issue of bonus units and units allotted on reinvestment of dividend for existing as well as prospective investors. At the time of changing the load structure the AMC / Mutual Fund may adopt the following procedure:

- (i) The addendum detailing the changes will be attached to Scheme Information Document and Key Information Memorandum and displayed on our website <http://amc.ppfas.com> The addendum will be circulated to all the distributors / brokers so that the same can be attached to all Scheme Information Document and Key Information Memorandum already in stock.
- (ii) Arrangements will be made to display the changes / modifications in the Scheme Information Document in the form of a notice in all the Investor Service Centres and distributors / brokers office
- (iii) The introduction of the Load along with the details will be stamped in the acknowledgment slip issued to the investors on submission of the application form and will also be disclosed in the Account Statement or in the covering letter issued to the Unit holders after the introduction of such Load.
- (iv) A public notice shall be given in respect of such changes in one English daily newspaper having nationwide circulation as well as in a newspaper published in the language of region where the Head Office of the Mutual Fund is situated.
- (v) Any other majors which the mutual fund may feel necessary.

#### **F. Waiver of Load for Direct Applications**

Pursuant to SEBI circular no. SEBI/IMD/CIR No.4/ 168230/09 dated June 30, 2009 no entry load shall be charged for all mutual fund schemes. Therefore, the procedure for waiver of load for direct applications is no longer applicable.

**2. Additional Facility for Purchase / Redemption of Units of PPFAS Mutual Fund Scheme(s) Through Stock Exchange(s) Platform.**

**List of eligible scheme/s.**

| Sr. No. | Name of the Scheme         |
|---------|----------------------------|
| 1       | PPFAS Long Term Value Fund |

In order to expand the reach of PPFAS Mutual Fund to more towns and cities, PPFAS Trustee Company Private Limited, the Trustee to PPFAS Mutual Fund has decided to offer units of its scheme, PPFAS Long Term Value Fund for purchase/redemption on Bombay Stock Exchange Limited ("BSE") and National Stock Exchange of India Limited ("NSE") **effective from 10<sup>th</sup> September 2014**. The introduction of this facility is pursuant to guidelines issued by SEBI and the Stock Exchanges viz. BSE & NSE.

PPFAS Mutual Fund is introducing the facility to purchase and redeem units of PPFAS Mutual Fund scheme/s through Stock Exchange Platform, in accordance with SEBI Circulars No. CIR/MRD/DSA/32/2013 dated October 4, 2013, Circular No. SEBI/IMD/CIR No. 11/183204/ 2009 dated November 13, 2009 and Circular No. CIR/IMD/DF/17/2010 dated November 9, 2010.

**The following are the salient features of the new facility introduced for the benefit of investors**

1. This facility i.e. purchase/redemption of units will be available to both existing and new investors.
2. The investors will be eligible to purchase /redeem units of the aforesaid scheme.
3. All trading members of BSE & NSE who are registered with AMFI as Mutual Fund Advisors, mutual fund distributors registered with the AMFI and who are permitted by the respective recognised stock exchange and who have signed up with PPFAS Asset Management Private Limited and also registered with BSE & NSE as Participants ("AMFI certified stock exchange brokers") will be eligible to offer this facility to investors. In order to facilitate transactions in mutual fund units through the stock exchange infrastructure, BSE has introduced BSE StAR MF Platform and NSE has introduced Mutual Fund Service System (MFSS).  
  
Further, the units of PPFAS Mutual Fund scheme/(s) are permitted to be transacted through clearing members of the registered Stock Exchanges and Depository Participants of Registered Depositories are permitted to process only redemption request of units held in demat form as per SEBI Circular No. CIR/IMD/DF/17/2010 dated November 9, 2010.
4. BSE StAR MF and MFSS are electronic platforms introduced by BSE & NSE respectively for transacting in units of mutual funds. **The units of eligible Scheme are not listed on BSE & NSE and the same cannot be traded on the Stock Exchange.** The window for purchase/redemption of units on BSE & NSE will be available between 9 a.m. and 3 p.m. or such other timings as may be decided.
5. PPFAS Mutual Fund has currently entered into an arrangement with BSE & NSE for facilitating transactions in select PPFAS Mutual Fund scheme/s through the AMFI certified stock exchange brokers. Investors who are interested in transacting in eligible

schemes of PPFAS Mutual Fund should register themselves with AMFI certified stock exchange brokers.

6. The eligible AMFI certified stock exchange brokers, Clearing members of recognised stock exchanges and Depository Participants will be considered as Official Points of Acceptance (OPA) of PPFAS Mutual Fund as per applicable guidelines.

7. Investors have an option to hold the units in physical or dematerialized form.

8. Investors will be able to purchase/redeem units in eligible scheme/s in the following manner :

#### **i. Purchase of Units:**

##### **a. Physical Form**

The investor who chooses the physical mode is required to submit all requisite documents along with the purchase application (subject to applicable limits prescribed by BSE/NSE) to the AMFI certified stock exchange brokers.

The AMFI certified stock exchange broker shall verify the application for mandatory details and KYC compliance.

After completion of the verification, the purchase order will be entered in the Stock Exchange system and an order confirmation slip will be issued to investor.

The investor will transfer the funds to the AMFI certified stock exchange brokers.

Allotment details will be provided by the AMFI certified stock exchange brokers to the investor.

##### **b. Dematerialized Form**

- ⌚ The investors who intend to deal in depository mode are required to have a demat account with CDSL/NSDL.
- ⌚ The investor who chooses the depository mode is required to place an order for purchase of units (subject to applicable limits prescribed by BSE/NSE) with the AMFI certified stock exchange brokers.
- ⌚ The investor should provide their depository account details to the AMFI certified stock exchange brokers.
- ⌚ The purchase order will be entered in the Stock Exchange system and an order confirmation slip will be issued to investor.
- ⌚ The investor will transfer the funds to the AMFI certified stock exchange brokers.
- ⌚ Allotment details will be provided by the AMFI certified stock exchange brokers to the investor.

#### **ii. Redemption of Units:**

##### **a. Physical Form**

- ⌚ The investor who chooses the physical mode is required to submit all requisite documents along with the redemption application (subject to applicable limits prescribed by BSE/NSE) to the AMFI certified stock exchange brokers.
- ⌚ The redemption order will be entered in the Stock Exchange system and an order confirmation slip will be issued to investor.
- ⌚ The redemption proceeds will be credited to the bank account of the investor, as per the bank account details recorded with PPFAS Mutual Fund.

##### **b. Dematerialized Form**

- ⌚ The investors who intend to deal in depository mode are required to have a demat account with CDSL/NSDL and units converted from physical mode to demat mode prior to placing of redemption order.
- ⌚ The investor who chooses the depository mode is required to place an order for redemption (subject to applicable limits prescribed by BSE/NSE) with the AMFI certified stock exchange brokers. The investors should provide their Depository Participant with Depository Instruction Slip with relevant units to be credited to Clearing Corporation pool account.
- ⌚ The redemption order will be entered in the system and an order confirmation slip will be issued to investor.

Provisions of Point 9 and 10 shall be applicable with respect to investors having demat account and purchasing or redeeming mutual fund units through stock exchange brokers and clearing members:

9. Investors shall receive redemption amount (if units are redeemed) and units (if units are purchased) through broker/clearing member's pool account. PPFAS Asset Management Private Limited (the "AMC")/PPFAS Mutual Fund (the "Mutual Fund") shall pay proceeds to the broker/clearing member (in case of redemption) and broker/clearing member in turn to the respective investor and similarly units shall be credited by the AMC/ Mutual Fund into broker/ clearing member's pool account (in case of purchase) and broker/clearing member in turn shall credit the units to the respective investor's demat account.

10. Payment of redemption proceeds to the broker/clearing members by AMC/Mutual Fund shall discharge AMC/ Mutual Fund of its obligation of payment to individual investor. Similarly, in case of purchase of units, crediting units into broker/clearing member pool account shall discharge AMC/Mutual Fund of its obligation to allot units to individual investor.

11. Applications for purchase/redemption of units which are incomplete /invalid are liable to be rejected.

12. Separate folios will be allotted for units held in physical and demat mode. In case of non-financial requests/applications such as change of address, change of bank details, etc. investors should approach Investor Service Centres (ISCs) of PPFAS Mutual Fund if units are held in physical mode and the respective Depository Participant(s) if units are held in demat mode.

13. An account statement will be issued by PPFAS Mutual Fund to investors who purchase/ redeem their units under this facility in physical mode. In case of investors who intend to deal in units in depository mode, a demat statement will be sent by Depository Participant showing the credit/debit of units to their account.

14. The applicability of NAV will be subject to guidelines issued by SEBI on Uniform cut-off timings for applicability of NAV of Mutual Fund Scheme(s)/Plan(s).

15. Investors will have to comply with Know Your Customer (KYC) norms as prescribed by BSE/NSE/CDSL/ NSDL and PPFAS Mutual Fund to participate in this facility.

16. Investors should get in touch with Investor Service Centres (ISCs) of PPFAS Mutual Fund for further details.

*17. The Mutual Fund distributors (registered) shall not handle payout and pay in of funds as well as units on behalf of investor. In the same manner, units shall be credited and debited directly from the demat account of investors, in accordance with applicable SEBI guidelines.*

Investors should note that Brokers, Clearing members and Depository Participants will be considered as Official Points of Acceptance (OPA) of PPFAS Mutual Fund in line with SEBI Circular No. SEBI/IMD/CIR No.11/78450/06 dated October 11, 2006 and conditions stipulated in SEBI Circular No. SEBI /IMD / CIR No.11/183204/2009 dated November 13, 2009 for stock brokers viz. AMFI /NISM certification and the provisions of SEBI Circular No. CIR/MRD/DSA/32/2013 dated October 4, 2013 for Mutual Fund Distributors, code of conduct prescribed by SEBI for Intermediaries of Mutual Fund, shall be applicable for such Clearing members, Mutual Fund Distributors and Depository participants as well.

All other terms & conditions of the Schemes will remain unchanged. The Trustee reserves the right to change/modify the features of this facility at a later date.

This addendum shall form an integral part of the Statement of Additional Information/Scheme Information Document/ Key Information Memorandum of the aforesaid Scheme of PPFAS Mutual Fund as amended from time to time.

This Addendum sets out the changes in the Statement of Additional Information (SAI), Scheme Information Document (SID) and Key Information Memorandum (KIM) of PPFAS Mutual Fund.

**Additional official points of acceptance of transactions through MF Utility pursuant to appointment of MF Utilities India Private Limited.**

Notice is hereby given that PPFAS Asset Management Private Limited ("the AMC") has entered into an Agreement with **MF Utilities India Private Limited ("MFUI")**, a "Category II - Registrar to an Issue" under SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, for usage of **MF Utility ("MFU")** - a shared services initiative of various Asset Management Companies, which acts as a transaction aggregation portal for transacting in multiple Schemes of various Mutual Funds with a single form and a single payment instrument.

Accordingly, all financial and non-financial transactions pertaining to Scheme(s) of PPFAS Mutual Fund can be done through MFU either electronically on [www.mfuonline.com](http://www.mfuonline.com) as and when such a facility is made available by MFUI or physically through the authorized **Points of Service ("POS")** of MFUI with effect from the respective dates as published on MFUI website against the POS locations. The list of POS of MFUI is published on the website of MFUI at [www.mfuindia.com](http://www.mfuindia.com) as may be updated from time to time. The Online Transaction Portal of MFU i.e. [www.mfuonline.com](http://www.mfuonline.com) and the POS locations of MFUI will be in addition to the existing Official Points of Acceptance ("OPA") of the AMC.

The uniform cut-off time as prescribed by SEBI and as mentioned in the SID / KIM of respective scheme(s) shall be applicable for applications received on the portal of MFUI i.e. [www.mfuonline.com](http://www.mfuonline.com). However, investors should note that transactions on the MFUI portal shall be subject to the eligibility of the investors, any terms & conditions as stipulated by MFUI / PPFAS Mutual Fund / the AMC from time to time and any law for the time being in force.

Investors are requested to note that, MFUI will allot a **Common Account Number ("CAN")**, a single reference number for all investments in the Mutual Fund industry, for transacting in multiple Schemes of various Mutual Funds through MFU and to map existing folios, if any. Investors can create a CAN by submitting the CAN Registration Form (CRF) and necessary documents at the MFUI POS. The AMC and / or its Registrar and Transfer Agent (RTA) shall provide necessary details to MFUI as may be needed for providing the required services to investors / distributors through MFU. Investors are requested to visit the websites of MFUI or the AMC to download the relevant forms.

For any queries or clarifications related to MFU, please contact the Customer Care of MFUI on 1800-266-1415 (during the business hours on all days except Sunday and Public Holidays) or send an email to [clientservices@mfuindia.com](mailto:clientservices@mfuindia.com).

This Notice cum addendum forms an integral part of the SAI, SID & KIM of PPFAS Mutual Fund. All other terms and conditions as mentioned in the SAI, SID & KIM shall remain unchanged.

**MUTUAL FUND INVESTMENTS ARE SUBJECT TO MARKET RISKS, READ ALL SCHEME RELATED DOCUMENTS CAREFULLY**

**Addendum 1:**

**This Addendum sets out the changes in the Statement of Additional Information of PPFAS Mutual Fund.**

The Unit-holders of PPFAS Mutual Fund should take a note that the Board of Directors of PPFAS Trustee Company Private Limited (Trustee to PPFAS Mutual Fund) and PPFAS Asset Management Private Limited, have approved the changes to Part IV “Investment Valuation for Securities and Other Assets” of Statement of Additional Information (i.e. valuation policy) of PPFAS Mutual Fund. Revised Valuation Policy as is effective from 14<sup>th</sup> July 2015 is reproduced below:

**Valuation Policies.**

SEBI vide Gazette Notification no. LAD-NRO/GN/2011- 12/38/4290, dated February 21, 2012 amended Regulation 25, 47 and the Eighth Schedule titled ‘Investment Valuation Norms’ under SEBI (Mutual Funds) Regulations, 1996 (“the Regulations”) to introduce the overarching principles namely ‘Principles of Fair Valuation’ in order to ensure fair treatment to all investors (including existing as well as new investors) seeking to purchase or redeem the units of the scheme at all points of time. In the event of a conflict between the principles of fair valuation and valuation guidelines prescribed by SEBI under the Regulations, the principles of fair valuation shall prevail.

Based on the said amendment by SEBI, the Board of Directors of PPFAS Asset Management Private Limited and PPFAS Trustee Company Private Limited have adopted a comprehensive policy on investment valuation and procedures. Accordingly the disclosure inter-alia of the security/ asse-wise valuation policy, procedures and methodology of PPFAS Mutual Fund is given below;

**1. Policy, Procedure & Methodology for valuation of securities/assets**

- (i) The detailed security/ asset -wise valuation policy, procedure & methodology for each type of investment made by the scheme of PPFAS Mutual Fund is described in the appended table(s).
- (ii) Investments in any new securities/assets (other than those mentioned in the appended table) shall be made only after the establishment of the valuation methodology as approved by the Board of Directors of PPFAS Asset Management Private Limited and PPFAS Trustee Company Private Limited.
- (iii) The investments held by scheme(s) of PPFAS Mutual Fund would normally be valued according to the Valuation Guidelines specified by SEBI from time to time. In case of any conflict between the Principles of Fair Valuation as detailed above and valuation guidelines specified by SEBI, the Principles of Fair Valuation shall prevail.

**2. Inter scheme Transfers (as and when new scheme(s) of PPFAS Mutual Fund are launched in the future):**

Inter-scheme transfers will be done in line with regulatory requirements and applicable internal policies as determined by the Valuation Committee.

**3. Exceptional events:**

Given the exceptional nature of the events, it is not possible to define a standard methodology to be adopted for fair valuation of securities/assets for such events. Board of Directors of PPFAS Asset Management Private Limited and PPFAS Trustee Company Private Limited. have authorized the Valuation Committee to determine the exceptional events and devise the process to deal with the exceptional events.

The Exceptional events where current market information may not be available / sufficient for valuation of securities are classified as under:

- a. Policy announcements by the Reserve Bank of India (RBI), the Government or any Regulatory body like (SEBI/IRDA/PFRDA).
- b. Natural disasters or public disturbances that may impact the functioning of the capital markets.
- c. Absence of trading in a specific security or similar securities.
- d. Significant volatility in the capital markets.

The above list is illustrative and not exhaustive. The Valuation Committee shall identify and monitor exceptional events and recommend appropriate procedures / methodologies with necessary guidance from the Board of Directors of PPFAS Asset Management Private Limited and PPFAS Trustee Company Private Limited., wherever required, and get the same ratified.

#### 4. Deviation:

Deviation in the valuation policy and procedures as stated above shall be allowed only with the prior approval of the Valuation Committee followed by reporting to the Board of Directors of PPFAS Asset Management Private Limited and PPFAS Trustee Company Private Limited. Such deviations shall be appropriately disclosed to the Investors as may be decided by the Valuation committee.

#### 5. Record Maintenance:

PPFAS Asset Management Private Limited shall maintain and preserve documentation for valuation (including inter scheme transfers) either in electronic or physical form for a period of 8 years or such period as specified by SEBI from time to time.

#### 6. Disclosure:

In order to ensure transparency of valuation norms adopted by PPFAS Asset Management Private Limited, the investment valuation policy and procedures as adopted by PPFAS Asset Management Private Limited is disclosed on the website, <http://amc.ppfas.com>

#### Detailed security/asset-wise valuation policy, procedure & methodology for Investments made by the PPFAS Mutual Fund:

##### I. Equity and equity related instruments:

|   |   |
|---|---|
| Listed Shares/<br>Preference Shares/<br>Warrants/Rights   | Valuation will be at the closing price at the principal stock exchange.<br><br>If security is not traded on principal stock exchange on a particular valuation day, the closing price at which it is traded on any other stock exchange will be used.<br><br>If security is not traded on any stock exchange on a particular valuation day, then price at which it traded on the principal stock exchange or any other stock exchange, as the case may be, on the earliest previous day will be used provided such date is not more than 30 days prior to valuation date. |
| Thinly traded equity shares                               | Thinly traded securities will be valued at fair value as per procedures determined by the Valuation Committee.  |
| Unlisted Shares/<br>Preference Shares/<br>Warrants/Rights | Unlisted securities will be valued at fair value as per procedures determined by the Valuation Committee.   |
| Options   | In case of Options, premium received/ paid is marked to market based on settlement price on the relevant exchange.  |
| Futures   | Outstanding contracts in Futures is valued based on the settlement price on the relevant exchange.  |

##### Procedure & Methodology for valuation of unlisted or thinly traded equity/equity related securities

Any security which does not have trading volume of 50,000 scrip's and trading amount of Rs. 5,00,000/- during a period of thirty days shall be categorized as thinly traded. Thinly traded / unlisted securities shall be valued in good faith on the basis of fair valuation principles as follows:

Net Worth Value per share of the company will be derived based on the latest available audited balance sheet, not more than 9 months from close of financial year, net worth per share shall be calculated as [share capital plus free reserves (excluding revaluation reserves) minus Miscellaneous expenditure not written off or deferred revenue expenditure, intangible assets and accumulated losses] divided by Number of Paid up Shares.

Capital Earning Value per share of the company will be derived by capitalization of Earnings per Share based on the latest available balance sheet, with 25% of Average capitalization rate (P/E ratio) for the industry. As a best practice, in case of thinly traded securities, the rate (Industry P/E) to be used, shall be the latest available rate, on the date the balance sheet based valuation comes into effect.

Average of Net Worth Value per share and Capital Earning Value per share thus derived, shall be further discounted to derive fair value of Unlisted securities and by thinly traded securities.

##### Shares on De-merger and Other Corporate Action Events –

- a. **Both the shares are traded immediately on de-merger:** In this case both the shares to be valued at respective traded prices.

- b. **Shares of only one company continued to be traded on de-merger:** In such a scenario, the shares of Non Traded/Un-listed would be fairly valued in good faith by AMC on case to case basis. Traded share to be valued at traded price.
- c. **Both the shares are not traded on de-merger:** In such a scenario, the shares of both the companies would be fairly valued in good faith by AMC on case to case basis.

In case of any other type of capital corporate action event, the same to be valued at fair price on case to case basis.

ii) Preference Shares - Preference share can be convertible or non- convertible. If the non-convertible preference shares are traded then the closing price of the day will be considered for valuation. If the same is non-traded it will be valued at the present value of all the future expected dividend payments and the maturity value, discounted at the bond yield of the issuer.

The value of convertible preference share can be expressed as follows:

Convertible preference shares shall be valued based on the underlying equity. This value shall be further discounted for illiquidity to arrive at fair valuation. Traded convertible preference shares shall be valued based on the closing price.

iii) Warrants - Warrants will be valued at the value of the share which would be obtained on exercise of the warrant as reduced by the amount which would be payable on exercise of the warrant. The value arrived will be reduced by appropriate discount. Traded Warrants shall be valued based on the closing price.

iv) Right entitlements - Right entitlements will be valued as difference between the value of closing price of the underlying equity share and the rights offer price.

## II. Debt & Debt Related Instruments

| Security Type   | Valuation Policy  |
|---|---|
| Government securities (Including Central government securities, State Development Loans, Treasury Bills and Cash Management Bills) with <b>residual</b> maturity more than 60 days            | Valuation will be done at the average prices provided by AMFI approved agencies (CRISIL & ICRA)   |
| Government securities (Including Central government securities, State Development Loans, Treasury Bills and Cash Management Bills) with residual maturity less than equal to 60 days          | Valuation will be done by amortisation on a straight line basis to maturity from cost or last valuation price whichever is more recent. The resultant price will be compared with the price arrived at by using benchmark yields. The amortised price shall be used for valuation as long as it is within +/- 0.1% of the price derived using the benchmark yields. In case the variance exceeds +/- 0.1% of the price arrived using benchmark yields, the valuation shall be adjusted to bring it within +/- 0.1% of the price computed using the benchmark yields.<br><br>At the time of first purchase the spread between the purchase yield and the benchmark yield will be fixed. This spread will remain fixed through the life of the instrument & will be changed only if there is a trade in the security. The spread shall be readjusted on the basis of the last trade in the security. If at the time of initial purchase, the maturity is more than 60 days and the security comes into the less than 61 days bucket, the spread, if any, at the time of initial purchase (and changed thereafter) will continue to be used for valuation of the security. |
| Debt Securities/ Instruments with Residual maturity more than 60 days (Commercial Paper/Certificate of Deposit /Bonds/ Zero Coupon Bonds /Bills Rediscounting /Floating rate securities /PTC) | Valuation will be done at the average prices provided by AMFI approved agencies (CRISIL & ICRA).<br><br>In case any new securities are purchased and the price of such security is not provided by AMFI approved agencies, then such security will be valued at weighted average price / yield of the trades of that security on that day.  |
| Debt Securities/ Instruments with Residual maturity less than or equal to 60 days (Commercial   | Valuation will be done by amortisation on a straight line basis to maturity from cost or the last valuation price, whichever is more recent. The resultant price will be compared with the price using the benchmark yields +/- a spread. In case the amortised price is within +/-0.10% of the price derived using the benchmark yield, the same shall be used; else the price of the security shall be adjusted to bring it within this range.  |

| Securty/ Asset Type        | Valuation Policy   |
|----------------------------|--|
| Listed Mutual Funds Units  | Valuation will be at the closing price at the principal stock exchange.<br><br>If units are not traded on principal stock exchange on a particular valuation day, the closing price on any other stock exchange where units are traded will be used.<br><br>If units are not traded on any stock exchange on a particular valuation day, then NAV per unit will be used for valuation. |
| Unlisted Mutual Fund Units | Valuation will be based on Net Asset Value (NAV) of Mutual Fund units.   |
| Fixed Deposits             | Fixed deposits will be valued at cost.   |

### Valuation of Foreign Securities:

The security issued outside India and listed on the stock exchanges outside India shall be valued as follows;

The security issued outside India and listed on the stock exchanges outside India shall be valued at the closing price on the stock exchange at which it is listed. However in case a security is listed on more than one stock exchange, the AMC reserves the right to determine the stock exchange, the price of which would be used for the purpose of valuation of that security. Any subsequent change in the reference stock exchange used for valuation will be backed by reasons for such change being recorded in writing by the AMC. Further in case of extreme volatility in the overseas markets, the securities listed in those markets may be valued on a fair value basis.

For valuation of securities registered in USA, NYSE has been selected as principal stock exchange. If any security is not listed on NYSE, security prices as quoted on NASDAQ will be considered. For securities registered in UK, LSE (London Stock Exchange) has been selected as principal stock exchange. Securities prices as quoted on LSE will be used for valuation purposes.

If a significant event has occurred after security prices were established for the computation of NAV of the Scheme, the AMC reserves the right to value the said securities on fair value basis. When on a particular valuation day, a security has not been traded on the selected stock exchange; the security will be valued in accordance with SEBI guidelines applicable for security listed in India.

“If the security is listed in a time zone ahead of India, then the same day's closing price would be used for valuation. If the security is listed in a time zone behind India, then the previous day's price would be used for valuation.”

On the Valuation Day, all assets and liabilities denominated in foreign currency will be valued in Indian Rupees at the exchange rate available on Reuters / RBI / Bloomberg. The Trustees reserve the right to change the source for determining the exchange rate.

**Valuation of IDR/ADR/ GDR:**

IDR/ADR/GDRs are exchange traded securities and hence closing price of the IDR/ADR/ GDR on the exchange where it is listed will be taken for valuation purpose.

**NOTICE CUM ADDENDUM TO THE STATEMENT OF ADDITIONAL INFORMATION (SAI),

**Addendum 1**

**RESTRICTION ON REDEMPTION OF THE UNITS OF SCHEME**

NOTICE is hereby given that pursuant to SEBI Circular No. SEBI/HO/IMD/DF2/CIR/P/2016/57 dated May 31, 2016 pertaining to 'Restriction on redemption in Mutual Funds', the existing provisions under section, "Suspension of Sale/ Redemption/ Switching Options of the Units" appearing in the Statement of Additional Information ("SAI"), and "Restrictions, if any, on the right to freely retain or dispose of Units being offered," appearing in the Scheme Information Document ("SID") of open ended Scheme(s) of the PPFAS Mutual Fund ("Fund"), as applicable, are revised and substituted with the following new provision and is effective from July 1, 2016 ("Effective Date").

**"RIGHT TO RESTRICT REDEMPTION AND / OR SUSPEND REDEMPTION OF THE UNITS:**

The Fund at its sole discretion reserves the right to restrict Redemption (including switch-out) of the Units (including Plan / Option) of the Scheme(s) of the Fund upon occurrence of the below mentioned events for a period not exceeding ten (10) working days in any ninety (90) days period subject to approval of the Board of Directors of the AMC and the Trustee. The restriction on Redemption (including switch-out) shall be applicable where the Redemption (including switch-out) request is for a value above Rs. 2,00,000/- (Rupees Two Lakhs). Further, no restriction shall be applicable to the Redemption / switch-out request upto Rs. 2,00,000/- (Rupees Two Lakhs). It is further clarified that, in case of redemption request above Rs. 2,00,000/- (Rupees Two Lakhs), no restriction shall be applicable on first Rs. 2,00,000/- (Rupees Two Lakhs).

The Trustee / AMC reserves the right to restrict Redemption or suspend Redemption of the Units in the Scheme(s) of the Fund on account of circumstances leading to a systemic crisis or event(s) that severely constrict market liquidity or the efficient functioning of the markets. A list of such circumstances under which the restriction on Redemption or suspension of Redemption of the Units in the Scheme(s) of the Fund may be imposed are as follows:

1. Liquidity issues- when market at large becomes illiquid affecting almost all securities rather than any issuer specific security; or
2. Market failures / Exchange closures; or
3. Operational issues; or
4. If so directed by SEBI.

It is clarified that since the occurrence of the above mentioned eventualities have the ability to impact the overall market and liquidity situation, the same may result in exceptionally large number of Redemption requests being made and in such a situation the indicative timelines mentioned by the Fund in the scheme offering documents, for processing of requests for Redemption may not be applicable.

Any restriction on Redemption or suspension of Redemption of the Units in the Scheme(s) of the Mutual Fund shall be made applicable only after specific approval of the Board of Directors of the AMC and Trustee Company and thereafter, immediately informing the same to SEBI."

The AMC / Trustee reserves the right to change / modify the provisions of right to restrict Redemption and / or suspend Redemption of the Units in the Scheme(s) of the Fund.

All other terms and conditions of the Scheme(s) will remain unchanged. This addendum shall form an integral part of the SAI, SID and KIM of the Scheme(s) of the Fund as amended from time to time.

**Addendum 2**

The Unit-holders of PPFAS Mutual Fund are hereby informed that Mrs. Hiroo Thadani (Head-Administration and HR), has ceased to be a Key Employee of PPFAS Asset Management Private Limited ("PPFAS AMC") on account of her retirement with effect from 1st August 2016.

All other terms and conditions of the Scheme(s) will remain unchanged. This addendum shall form an integral part of the SAI, SID and KIM of the Scheme(s) of the Fund as amended from time to time.

This Addendum is dated 3rd August 2016.

## PPFAS MUTUAL FUND

### NOTICE CUM ADDENDUM TO THE SCHEME INFORMATION DOCUMENT, STATEMENT OF ADDITIONAL INFORMATION AND KEY INFORMATION MEMORANDUM OF PPFAS MUTUAL FUND

#### Addendum: Introduction of Systematic Investment Plan (SIP) Top-UP Facility

**This Addendum sets out the changes in the Statement of Additional Information, Scheme Information Document and Key Information Memorandum of PPFAS Mutual Fund.**

Notice is hereby given that following details shall be incorporated in SID and KIM of Parag Parikh Long Term Value Fund with 10th January 2017 ('Effective Date')

#### Introduction of Systematic Investment Plan (SIP) Top-UP Facility

It is a facility wherein an investor who is enrolling for SIP has an option to increase the amount of the SIP installment by a fixed amount at pre-defined intervals. Thus, an investor can progressively start increasing the amount invested, allowing them to gradually increase the investment corpus in a systematic manner.

The salient features of this facility are as follows:

1. New investors can opt for it at the time of initiating the SIP. Existing unitholders can opt for it at the time of SIP renewal.
2. Investor can opt for an amount-based Cap whereby they can choose the amount from which the top-ups will cease (even though the SIP will continue at this final amount till the expiry date).

**In case the top-up amount-based cap is not chosen, the top-up will occur at the chosen frequency (half-yearly /yearly) until the SIP expiry date (Please refer to illustrations 1 - A, 2 – A and 3 – A, below)**

3. The amount of each such SIP installment cannot exceed the Daily One Time Mandate (OTM) limit for purchases in Parag Parikh Long Term Value Fund from all modes (lumpsum as well as SIP).

In case of any conflict, such SIP installment will have precedence over any lumpsum purchases undertaken on that day.

Any lumpsum purchase exceeding the OTM limit will be reversed within three working days of the relevant intimation received from the unitholder's bank.

4. Minimum Top-up Amount for the said facility will be Rs. 500/- & in multiple of Re. 1/- thereafter. Forms where a specific amount is not clearly mentioned are liable to be rejected.
5. Frequency for the Top up facility :

Investors can choose either 'Half-Yearly' or 'Yearly' Top-Up increments under both, Monthly and Quarterly SIP options.

In case SIP Top-Up frequency is not mentioned, the default frequency will be considered as 'Yearly' for both monthly and Quarterly SIP.

6. The facility is available only for the investors who submit "NACH / One Time Mandate (OTM) Form" mentioning the 'Maximum Amount'. This will limit the total investment to the pre-determined 'maximum amount'.

7. Once the SIP Top-Up upper limit is reached, the Top-Up will be discontinued. However, the SIP will continue at this upper limit for the remaining SIP enrollment period (subject to it not exceeding the daily OTM limit). For further clarification, please refer the illustrations as mentioned below.
8. The initial investment under the SIP Top-UP will be subject to minimum SIP investment requirement applicable from time to time (As on January 1, 2017, this figure is Rs. 1000/-).
9. Once enrolled, the Top-up details cannot be modified. However, investors can choose to cancel the Top-Up, by filling in the relevant Form and continue with the same SIP.
10. For further details and Forms, investors are requested to refer the website ([www.amc.ppfas.com](http://www.amc.ppfas.com)) or contact the Corporate Office of PPFAS Mutual Fund.
11. The above terms apply for both, offline and online modes of application, as and when initiated by the Fund.
12. All the other provisions of the SID/KIM except as specifically modified herein above remain unchanged.
